## Title 37—LAW

### MUNICIPAL POLICE OFFICERS' EDUCATION AND TRAINING COMMISSION

[37 PA. CODE CHS. 201 AND 203]

#### Administration of the Training Program

The Municipal Police Officers' Education and Training Commission (Commission), by this order reserves Chapter 201 (relating to administration of the program) and adopts Chapter 203 (relating to administration of the program) under the authority of section 5(15) of the act of June 18, 1974 (act) (P. L. 359, No. 120) (53 P. S. § 744 (15)), to read as set forth in Annex A. Notice of proposed rulemaking was published at 26 Pa.B. 2793 (June 15, 1996), with an invitation to submit written comments within 30 days of publication. The Commission received three comments.

#### *Comments Received*

The Commission received comments from the Independent Regulatory Review Commission (IRRC), the East Fallowfield Township Police Department and the Criminal Justice Training Center at Indiana University of Pennsylvania. The following is a summary of the comments received and the Commission's response:

(1) The East Fallowfield Township Police Department suggested the Commission consider amending § 203.11(4)(v) (relating to visual acuity) to read that applicants have visual acuity correctable to 20/20 in the stronger eye and 20/40 in the weaker eye, with normal depth and color perception and free of any significant visual abnormalities. This amendment was suggested because of perceived Americans With Disabilities Act conflicts. After discussion and research, the Commission declined to act on this suggestion. Under a number of circumstances, police officers may not have vision correction available, have it dislodged or not functioning properly but will still be expected to perform their duties. The uncorrected 20/200 standard is the point at which a person is legally blind. Without these requirements there would be little to prevent applicants with dangerously poor vision from being employed as police officers, and it would be impossible for them to safely and effectively perform various duties without vision correction.

(2) The Criminal Justice Training Center at Indiana University of Pennsylvania wrote the Commission with concerns regarding geographic locations of schools, school policies on school absences and due process for decertified schools. Many of the enumerated concerns were specifically addressed in the proposed rulemaking. As noted in § 203.1 (relating to definitions), language regarding each geographic location was included to more accurately represent the network of basic training facilities throughout this Commonwealth. School directors were provided flexibility in permitting excused absences for valid reasons under § 203.11 (relating to absences) which also requires 100% attendance by applicants. The Commission does not have the authority under § 203.31 (relating to eligibility for school certification) to decertify a school without due process. The due process procedure in § 203.102 (relating to adverse determination) and affords a hearing if the Commission revokes a previously issued school certification. The proposed rulemaking requires the Commission to take the amount of necessary police training into consideration when making decisions on

school certification, rather than permitting schools to conduct training programs in any location desired and makes the Commission responsible to establish and administer the basic training course.

(3) IRRC suggested many amendments to the proposed regulations. IRRC believes the Commission has the authority to revoke police officers' certifications before the expiration of the 2-year certification. The Commission agrees with the IRRC comment and stated that the legal issue is not authority, but the fact that during the 2-year certification period the Commission will not have knowledge of police officers not completing requirements until the period ends. If the Commission is advised, revocation may be instituted. The Commission has added the ability for municipalities to request additional time for police officers to complete in-service training requirements under § 203.14 (relating to revocation of certification).

IRRC advised that the Department of Conservation and Natural Resources, Bureau of State Parks, requested a provision be included that would permit the Commission to provide instructor training to law enforcement officers employed by the Bureau of State Parks. The Commission declines this amendment because of the large number of other agencies also requesting instructor training. Commission resources are not sufficient to be able to train a larger number of instructors each year for mandatory in-service training. As a matter of policy, the Commission is not able to make exceptions for one request and not another. Rank and file officers from these agencies are able to receive training under § 203.82(b) (relating to law enforcement agency not eligible for reimbursement).

IRRC proposed amending § 203.51(a) (relating to basic police training course curriculum) to include the specific number of hours required in the basic police training course because it believes that the number of hours (or minimum number of hours) is essential information that should be established in the regulations. The Commission declined to act on this suggestion based on the fact that it is the Commission which provides schools with the entire curriculum which may not be modified in any way by the school. Additionally, the curriculum is periodically revised. The revisions may be due to court decisions which required immediate dissemination, or by the periodic updating and validation though an outside consultant hired under contract. The Commission has agreed to amend the section by adding language requiring it to publish a notice in the *Pennsylvania Bulletin* and in the Commission newsletter whenever the number of hours required in the basic police training course changes as a means of ensuring public dissemination of this essential information.

IRRC proposed various amendments to various portions of §§ 203.1, 203.11, 203.12(2)(ii), 203.14(a), 203.31, 203.33, 203.35, 203.36, 203.51, 203.52, 203.54, 203.72, 203.73, 203.83 and Subchapter G which the Commission adopted.

#### *Purpose*

The purpose of these final-form regulations is to implement mandatory recruit training for all police officers subject to the act, to provide for certification of those individuals who successfully complete the training, pass a State certification test and are employed by a political subdivision or certain colleges or are deputy sheriffs employed by the Allegheny County Sheriff's Office. The final-form regulations also provide that certifications must be renewed every 2 years and mandate that an

officer must complete at least 12 hours of in-service training yearly and maintain certification in first aid, CPR and weapons qualification. The regulations also set physical, psychological and criminal standards for police officers. Those officers that do not meet the standards are subject to decertification by the Commission.

*Effect*

The final-form regulations affect every police officer as that term is defined in section 2 of the act (53 P. S. § 741). All existing school certifications shall continue. All existing police officer certifications shall continue until their expiration date. Those police officer certifications without an expiration date shall expire December 21, 1996. Existing instructor certifications issued to instructors who have taught at a certified school during the 2 years preceding publication for adoption of the final rulemaking shall continue, all others shall expire December 21, 1996.

*Policy*

There is a policy issue concerning the impact of these amendments on current officers. Officers will have to comply with mandatory in-service training, first aid, CPR and weapons qualifications yearly, or they may be decertified. Therefore, some officers who were grandfathered for basic training purposes, will now have to comply with mandatory in-service training, first aid, CPR and weapons qualification requirements for the first time. Most police officers have been complying with the nonmandatory basis since Act 180 of 1988 became law. Police officers will also be required to meet standards for physical and psychological fitness and with regard to criminal convictions, or face the possibility of being decertified.

*Fiscal Impact*

The final-form regulations will have no additional fiscal impact on the Commonwealth.

The costs to municipalities would be for transportation of officers to in-service training schools and in maintaining first aid, CPR and firearms qualifications, and any costs associated with paying overtime or salary to officers attending the trainings. The proposed regulations do not, however, require political subdivisions to pay salary to officers attending in-service training.

*Regulatory Review*

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), on October 25, 1996, the Commission submitted a copy of the notice of proposed rulemaking, published at 26 Pa.B. 2793, to IRRC and to the Chairpersons of the House Judiciary Committee and the Senate Law and Justice Committee for review and comment. In compliance with section 5(b.1) of the Regulatory Review Act, the Commission also provided IRRC and the Committees with copies of the comments received, as well as other documentation.

In preparing these final-form regulations, the Commission considered the comments received from IRRC, the Committees and the public.

These final-form regulations were deemed approved by the House Judiciary Committee and the Senate Law and Justice Committee on November 15, 1996. IRRC met on November 21, 1996, and approved these final-form regulations in accordance with section 5(c) of the Regulatory Review Act.

*Contact Person*

The contact person is Major Richard C. Mooney, Executive Director, Municipal Police Officers' Education and

Training Commission, 75 East Derry Road, Hershey, PA, 17033, who may be contacted at (717) 533-5987 for further information.

*Findings*

The Commission finds that:

(1) Public notice of intention to adopt these final-form regulations has been given under sections 201 and 202 of the act of July 31, 1968 (P. L. 769, No 240) (45 P. S. §§ 1201 and 1202) and the regulations promulgated thereunder, 1 Pa. Code §§ 7.1 and 7.2.

(2) The adoption of the final-form regulations of the Commission in the manner provided in this order is necessary and appropriate. A public comment period was provided as required by law and that the comments received were considered.

(3) The modifications that were made to these final-form regulations in response to comments received do not enlarge the purpose or scope of the proposed amendments published at 26 Pa.B. 2793.

(4) The adoption of the final-form regulations in the manner provided is necessary and appropriate for the administration of the authorizing statute.

*Order*

The Commission, acting under the authorizing statutes, orders that:

(a) The regulations of the Commission, 37 Pa. Code Chapters 201 and 203, are amended by deleting §§ 201.1—201.4, 201.11—201.18, 201.20—201.29, 201.41—201.44 and 201.51; and by adding §§ 203.1, 203.11—203.15, 203.31—203.36, 203.51—203.54, 203.71—203.73, 203.81—203.83 and 203.101—203.103 to read as set forth in Annex A.

(b) The Chairperson of the Commission shall submit this order and Annex A to the Office of Attorney General and the Office of General Counsel for approval as required by law.
