READER'S GUIDE TO THE PENNSYLVANIA BULLETIN AND PENNSYLVANIA CODE

Pennsylvania Bulletin

The *Pennsylvania Bulletin* is the official gazette of the Commonwealth of Pennsylvania. It is published every week and includes a table of contents. A cumulative subject matter index is published quarterly.

The *Pennsylvania Bulletin* serves several purposes. First, it is the temporary supplement to the *Pennsylvania Code*, which is the official codification of agency rules and regulations and other statutorily authorized documents. Changes in the codified text, whether by adoption, amendment, repeal or emergency action must be published in the *Pennsylvania Bulletin*. Further, agencies proposing changes to the codified text do so in the *Pennsylvania Bulletin*.

Second, the *Pennsylvania Bulletin* also publishes: Governor's Executive Orders; State Contract Notices; Summaries of Enacted Statutes; Statewide and Local Court Rules; Attorney General Opinions; Motor Carrier Applications before the Public Utility Commission; Applications and Actions before the Department of Environmental Protection; Orders of the Independent Regulatory Review Commission; and other documents authorized by law.

The text of certain documents published in the *Pennsylvania Bulletin* is the only valid and enforceable text. Courts are required to take judicial notice of the *Pennsylvania Bulletin*.

Adoption, Amendment or Repeal of Regulations

Generally an agency wishing to adopt, amend or repeal regulations must first publish in the *Pennsylvania Bulletin* a Notice of Proposed Rulemaking. There are limited instances where the agency may omit the proposal step; they still must publish the adopted version.

The Notice of Proposed Rulemaking contains the full text of the change, the agency contact person, a fiscal note required by law and background for the action.

The agency then allows sufficient time for public comment before taking final action. An adopted proposal must be published in the *Pennsylvania*

Bulletin before it can take effect. If the agency wishes to adopt changes to the Notice of Proposed Rulemaking to enlarge the scope, they must re-propose.

Citation to the *Pennsylvania Bulletin*

Cite material in the *Pennsylvania Bulletin* by volume number and page number. Example: Volume 1, *Pennsylvania Bulletin*, page 801 (short form: 1 Pa.B. 801).

Pennsylvania Code

The *Pennsylvania Code* is the official codification of rules and regulations issued by Commonwealth agencies and other statutorily authorized documents. The *Pennsylvania Bulletin* is the temporary supplement to the *Pennsylvania Code*, printing changes as soon as they occur. These changes are then permanently codified by the *Pennsylvania Code Reporter*, a monthly, loose-leaf supplement.

The *Pennsylvania Code* is cited by title number and section number. Example: Title 10 *Pennsylvania Code*, § 1.1 (short form: 10 Pa.Code § 1.1).

Under the *Pennsylvania Code* codification system, each regulation is assigned a unique number by title and section. Titles roughly parallel the organization of Commonwealth government. Title 1 *Pennsylvania Code* lists every agency and its corresponding *Code* title location.

How to Find Documents

Search for your area of interest in the *Pennsylvania Code*.

The *Pennsylvania Code* contains, as Finding Aids, subject indexes for the complete *Code* and for each individual title, a list of Statutes Used As Authority for Adopting Rules and a list of annotated cases. Source Notes give you the history of the documents. To see if there have been recent changes, not yet codified, check the List of *Pennsylvania Code* Chapters Affected in the most recent issue of the *Pennsylvania Bulletin*.

The *Pennsylvania Bulletin* also publishes a quarterly List of Pennsylvania Code Sections Affected which lists the regulations in numerical order, followed by the citation to the *Pennsylvania Bulletin* in which the change occurred.

**SUBSCRIPTION INFORMATION: (717) 766-0211
GENERAL INFORMATION AND FINDING AIDS: (717) 783-1530**

Printing Format

Material proposed to be added to an existing rule or regulation is printed in **bold face** and material proposed to be deleted from such a rule or regulation is enclosed in brackets [] and printed in **bold face**. Asterisks indicate ellipsis of *Pennsylvania Code* text retained without change. Proposed new or additional regulations are printed in ordinary style face.

Fiscal Notes

Section 612 of The Administrative Code of 1929 (71 P. S. § 232) requires that the Office of Budget prepare a fiscal note for regulatory actions and administrative procedures of the administrative departments, boards, commissions or authorities receiving money from the State Treasury stating whether the proposed action or procedure causes a loss of revenue or an increase in the cost of programs for the Commonwealth or its political subdivisions; that the fiscal note be published in the *Pennsylvania Bulletin* at the same time as the proposed change is advertised; and that the fiscal note shall provide the following information: (1) the designation of the fund out of which the appropriation providing for expenditures under the action or procedure shall be made; (2) the probable cost for the fiscal year the program is implemented; (3) projected cost estimate of the program for each of the five succeeding fiscal years; (4) fiscal history of the program for which expenditures are to be made; (5) probable loss of revenue for the fiscal year of its implementation; (6) projected loss of revenue from the program for each of the five succeeding fiscal years; (7) line item, if any, of the General Appropriation Act or other appropriation act out of which expenditures or losses of Commonwealth funds shall occur as a result of the action or procedures; (8) recommendation, if any, of the Secretary of the Budget and the reasons therefor.

The required information is published in the foregoing order immediately following the proposed change to which it relates; the omission of an item indicates that the agency text of the fiscal note states that there is no information available with respect thereto. In items (3) and (6) information is set forth for the first through fifth fiscal years; in that order, following the year the program is implemented, which is stated. In item (4) information is set forth for the current and two immediately preceding years, in that order. In item (8) the recommendation, if any, made by the Secretary of Budget is published with the fiscal note. See 4 Pa. Code § 7.231 *et seq.* Where “no fiscal impact” is published, the statement means no additional cost or revenue loss to the Commonwealth or its local political subdivision is intended.

Reproduction, Dissemination or Publication of Information

Third parties may not take information from the *Pennsylvania Code* and *Pennsylvania Bulletin* and reproduce, disseminate or publish such information except as provided by 1 Pa. Code § 3.44. 1 Pa. Code § 3.44 reads as follows:

§ 3.44. General permission to reproduce content of Code and Bulletin.

Information published under this part, which information includes, but is not limited to, cross references, tables of cases, notes of decisions, tables of contents, indexes, source notes, authority notes, numerical lists and codification guides, other than the actual text of rules or regulations may be reproduced only with the written consent of the Bureau. The information which appears on the same leaf with the text of a rule or regulation, however, may be incidentally reproduced in connection with the reproduction of the rule or regulation, if the reproduction is for the private use of a subscriber and not for resale. There are no other restrictions on the reproduction of information published under this part, and the Commonwealth hereby consents to a reproduction.

Title 204—JUDICIAL SYSTEM GENERAL PROVISIONS

PART IV. ADMISSION TO PRACTICE OF LAW [204 PA. CODE CH. 71]

Amendments to the Pennsylvania Bar Admission Rules and the Pennsylvania Rules of Disciplinary Enforcement Relating to Misstatements or Omissions in Licensure Applications

Notice is hereby given that The Pennsylvania Board of Law Examiners and The Disciplinary Board of the Supreme Court of Pennsylvania are considering recommending to The Supreme Court of Pennsylvania that it amend the Pennsylvania Bar Admission Rules and the Pennsylvania Rules of Disciplinary Enforcement to make clear that a material misstatement or omission by an applicant for a license to practice law may be grounds to revoke the applicant's license.

Pennsylvania Rules of Disciplinary Enforcement 203(b) and 204(a) are proposed to be amended to provide expressly that a material misstatement or omission in an application submitted to the Board of Law Examiners constitutes grounds for discipline. The Disciplinary Board would have the authority to revoke the applicant's license or to impose some other form of discipline. Pennsylvania Bar Admission Rule 201(c) is proposed to be amended to provide notice to applicants that a material misstatement or omission in an application will be grounds for discipline.

Interested persons are invited to submit written comments regarding the proposed amendments to the Office of the Executive Director, Pennsylvania Board of Law Examiners, 5070A Ritter Road, Suite 500, Mechanicsburg, PA 17055, and to the Office of the Secretary, The Disciplinary Board of the Supreme Court of Pennsylvania, First Floor, Two Lemoyne Drive, Lemoyne, PA 17043, on or before January 13, 2006.

Annex A

TITLE 204. JUDICIAL SYSTEM GENERAL PROVISIONS

PART V. PROFESSIONAL ETHICS AND CONDUCT

Subpart A. PROFESSIONAL RESPONSIBILITY

CHAPTER 81. RULES OF PROFESSIONAL CONDUCT

Subchapter B. RULES FOR INTEREST ON LAWYERS TRUST ACCOUNTS

Preamble: Statement of Purpose

Rule 1.15 of the Pennsylvania Rules of Professional Conduct ("Pa.R.P.C.") has, since the adoption of the Rules of Professional Conduct, required lawyers to segregate property of clients and third persons from the lawyer's own property, and by extension, not to profit by use of property belonging to clients or third persons. This provision of the Pa.R.P.C. for the protection of the client or third person, is designed to ensure the ethical conduct of lawyers, and may not be waived by the client or third person. Pa.R.P.C. 1.15 mandates the maintenance of IOLTA Accounts for certain funds received by a lawyer in connection with a client-lawyer relationship. In addition, Pa.R.P.C. mandates the maintenance of Trust Accounts

(including IOLTA Accounts for Qualified Funds) if, under Pa.R.P.C. 5.7, the lawyer is subject to the Pa.R.P.C. and the lawyer receives funds in connection with services (legal or nonlegal) to the recipient of those services. IOLTA generates income where formerly there was none; this income will aid the citizens of the Commonwealth of Pennsylvania by improving access to the civil legal system by those who otherwise could not afford legal representation, improving the legal educational system in Pennsylvania via funding for legal clinical programs and internships, and assisting in the general administration of justice in Pennsylvania.

§ 81.101. Definitions.

The following words and phrases when used in these regulations shall have the meanings given to them in this section unless the context clearly indicates otherwise:

Board. The Pennsylvania Interest on Lawyer Trust Account Board.

Financial institution. A financial institution approved by the Supreme Court of Pennsylvania pursuant to Rule 221 of the Pennsylvania Rules of Disciplinary Enforcement ("Pa.R.D.E."). A financial institution will be a bank, bank and trust company, trust company, savings and loan association, credit union, savings bank or foreign banking institution authorized to do business in the Commonwealth of Pennsylvania, whose deposits are insured by the Federal Deposit Insurance Corporation or an alternate share insurer, and who has been specifically approved as a financial institution within the meaning of Pa.R.D.E. 221.

Good faith. Honesty in fact in the conduct or transaction concerned.

Interest on Lawyer Trust Account or IOLTA Account. An unsegregated Trust Account with an approved financial institution for the deposit of Qualified Funds by a lawyer.

Lawyer. A member in good standing of the bar of the Supreme Court of Pennsylvania, who is not an active or senior member of the judiciary. The term "lawyer" also includes a partnership of lawyers, a professional association of lawyers, and a professional corporation or other organization whose members or shareholders are engaged in the practice of law.

Member of the Judiciary. An individual who has been admitted to the Pennsylvania Bar and who has been appointed or elected and is serving as a judicial official of any state or of the United States of America and whose position prohibits the individual from the practice of law within the territorial jurisdiction when the individual serves as a judge. This term shall not include a lawyer who is permitted to and who voluntarily chooses to maintain active lawyer status in Pennsylvania so long as the judicial position does not prevent him or her from practicing law in Pennsylvania.

Nonqualified Funds. Rule 1.15 Funds, whether cash, check, money order, or other negotiable instrument received by a lawyer in a representative capacity, and which are not Qualified Funds.

Qualified Funds. Rule 1.15 Funds, whether cash, check, money order, or other negotiable instrument received by a lawyer in a representative capacity which, in the good faith judgment of the lawyer, are nominal in amount or are reasonably expected to be held for such a short period of time that sufficient interest income will not be generated to justify the expense of earning interest to benefit the client or third person owner of the funds. See Regulation Section 81.104(c) for further guidance.

Regulations. These regulations adopted by the Board, and approved by the Supreme Court of Pennsylvania, as they may be amended from time to time.

Representative capacity. Received by a lawyer in connection with a client-lawyer relationship, or under circumstances such that the lawyer is subject to the obligations of Rule 1.15 of the Pennsylvania Rules of Professional Conduct and these Regulations as if a client-lawyer relationship existed. See Regulation Section 81.104. A lawyer who receives funds while acting as a fiduciary for an estate, trust, guardianship, or conservatorship does not receive those funds in a representative capacity.

Rule 1.15 Funds. Funds which the lawyer receives in connection with a client-lawyer relationship, or under circumstances described in Pa.R.P.C. 5.7(a), (b), or (c), excluding funds which the lawyer receives while acting as fiduciary for an estate, trust, guardianship or conservatorship. Rule 1.15 Funds include all funds of a client or third person received by a lawyer, in a representative capacity, from any person.

Third Party Owner. The client or third person whose funds are in the custody of a lawyer.

Trust Account. An interest-bearing account maintained in a financial institution, as defined in Rule of Disciplinary Enforcement 221, in which or with respect to which a lawyer holds Rule 1.15 Funds, including but not limited to an IOLTA Account.

§ 81.102. Scope.

(a) All lawyers who maintain a place of practice in the Commonwealth of Pennsylvania and who receive Qualified Funds must comply with the requirement that Qualified Funds be placed in an IOLTA Account as provided in Pa.R.P.C. 1.15 unless and to the extent an exemption is granted pursuant to Pa.R.P.C. 1.15(h) and Section 81.108 of these regulations.

(b) Each lawyer must register his or her IOLTA Account with the Disciplinary Board of the Supreme Court of Pennsylvania annually.

§ 81.103. Lawyers.

(a) If a lawyer is required to maintain a Trust Account, the lawyer shall comply with these regulations and participate in IOLTA if the lawyer meets either of the circumstances set forth in (i) or (ii):

(i) Practices law in Pennsylvania: The lawyer practices law from an office within the Commonwealth of Pennsylvania.

(ii) Practices law in and out of Pennsylvania: If a lawyer primarily practices outside of Pennsylvania but also has an office within the Commonwealth, then the lawyer must deposit Qualified Funds generated in Pennsylvania in a Pennsylvania IOLTA Account.

(b) Nothing herein shall be construed to require a lawyer who does not receive funds of a Third Party Owner to maintain an IOLTA Account.

(c) Law Firm Compliance: A lawyer may use an IOLTA Account in common with other lawyers in his or her firm, whether organized as a partnership, professional association, professional corporation, limited liability company or partnership, or other form of organization. However, each lawyer has an individual duty to comply with Pa.R.P.C. and these regulations.

(i) A law firm may register its IOLTA account and submit a list of all lawyers in the firm who use the

IOLTA Account for the maintenance of all Qualified Funds received by the lawyer.

(ii) Each lawyer using the IOLTA Account for the deposit of all Qualified Funds received by him or her will be in compliance with IOLTA.

(d) Newly admitted lawyer: A lawyer newly admitted to the bar of the Supreme Court of Pennsylvania must comply with these regulations within sixty (60) days of admission to the bar.

(e) Change of employment: A lawyer who changes employment status must comply with these regulations within sixty (60) days of the change, unless the lawyer no longer meets the requirements of subsections (a)(i)—(ii) of this Section 81.103 or is no longer required to maintain a Trust Account.

(f) Subsequent eligibility: Any lawyer not having met the requirements of subsections (a)(i)—(ii) of this Section 81.103, who subsequently meets the requirements of subsections (a)(i)—(ii) and who must maintain a Trust Account must comply with these regulations within sixty (60) days of subsequent eligibility.

§ 81.104. Rule 1.15 Funds.

(a) Rule 1.15 Funds are funds received by a lawyer in a representative capacity from or on behalf of a Third Party Owner. Pa.R.P.C. 1.15 requires the lawyer to maintain funds of a Third Party Owner separate from the lawyer's own property, and to safeguard the funds appropriately. A lawyer may not personally profit from Rule 1.15 Funds.

(i) Received in connection with a client-lawyer relationship: Rule 1.15 Funds are funds received in connection with a client-lawyer relationship.

(ii) Funds received while acting as a fiduciary: Pa.R.P.C.1.15(d) specifically excludes from its application funds received by the lawyer while acting as fiduciary for an estate, trust, guardianship, or conservatorship. However, if these funds are nominal in amount or reasonably expected to be held for such a short period that sufficient interest will not be generated to justify maintaining a segregated account, these funds may be deposited in an IOLTA Account.

(iii) Received in connection with nonlegal services: Under Rule 5.7 of the Pennsylvania Rules of Professional Conduct, there are three situations involving the provision of nonlegal services by a lawyer which trigger the applicability of the Pennsylvania Rules of Professional Conduct. These include: (A) if a lawyer provides nonlegal services that are not distinct from legal services, (B) if the lawyer provides nonlegal services that are distinct from legal services, but the lawyer knows or reasonably should know that the recipient might believe that the recipient of the services is receiving the protection of a client-lawyer relationship, and (C) if the lawyer is a owner, controlling party, employee, agent, or is otherwise affiliated with an entity providing nonlegal services and the lawyer knows or reasonably should know that the recipient of the service might believe that the recipient is receiving the protection of a client-lawyer relationship. In each of these three cases, the lawyer will be subject to the obligations of Rule 1.15 of the Pennsylvania Rules of Professional Conduct and these Regulations as if a client-lawyer relationship existed with the recipient of the services. If a lawyer receives funds in connection with a relationship described in any of these situations, the funds are Rule 1.15 Funds and must be deposited either in an IOLTA Account or in a Trust Account for the benefit of the Third Party Owner.

Factors which should be used to determine whether, under the tests of Pa.R.P.C. 5.7, the nonlegal services (and funds received in connection therewith) are subject to the Pa.R.P.C. include:

(1) whether funds received in connection with the nonlegal services are maintained completely separate from funds received in connection with legal services;

(2) whether the lawyer has advised the Third Party Owner in clear, unambiguous terms that the lawyer is acting in a nonlegal capacity, and is not receiving funds in connection with a client-lawyer relationship;

(3) whether the Third Party Owner can reasonably expect to have the protection of the client-lawyer relationship cover the entire matter;

(4) whether the lawyer performs both legal and nonlegal services from the same office; and

(5) whether the lawyer uses different letterhead in connection with legal and nonlegal services.

(iv) Certain funds handled routinely by a lawyer may not be Rule 1.15 Funds. Rule 1.15 Funds are received by the lawyer in connection with a client-lawyer relationship. Rule 1.15 Funds are also funds received by the lawyer in connection with the provision of nonlegal services under any of the circumstances described in Section 81.104(a)(iii) of these Regulations. These Rule 1.15 Funds must be deposited in an IOLTA Account or a Trust Account for the benefit of the Third Party Owner.

For example, if the lawyer as an agent for a title insurance company handles title insurance and real estate matters in connection with a client-lawyer relationship, or if the provision of title insurance and other services in connection with the real estate matter is not distinct from legal services provided to that recipient, or if the lawyer knows or has reason to know that the recipient of the services believes the relationship to be that of client-lawyer, funds received by the lawyer in connection with the relationship are Rule 1.15 Funds and must be placed in a Trust Account. If the Rule 1.15 Funds are Qualified Funds, the funds must be deposited in an IOLTA Account. The lawyer as title insurance agent may be required to maintain a separate settlement account for each underwriter to process funds handled by that lawyer in connection with acting as a title insurance agent. If the funds deposited in the settlement account are Qualified Funds, each settlement account must be an IOLTA Account.

(b) Subaccounting refers to a process whereby Nonqualified Funds are segregated by the lawyer or the lawyer's financial institution by Third Party Owner, and interest on each subaccount is separately calculated, reported, and paid to the Third Party Owner. Subaccounting attributes all of the interest earned on the Rule 1.15 Funds to the Third Party Owner.

(i) Nothing in these regulations shall be construed to prohibit a lawyer from maintaining and administering a separate subaccount for each Third Party Owner from whom Rule 1.15 Funds are received.

(ii) A lawyer who directly maintains a subaccounting system for Rule 1.15 Funds must comply not only with Pa.R.P.C. regarding such funds, but must also comply with applicable laws and regulations of the United States and of the Internal Revenue Service in particular.

(iii) Nothing in these regulations shall be construed to prohibit a lawyer from delegating to a financial institution the responsibility for maintaining and administering

a separate subaccount for each Third Party Owner from whom the lawyer receives Rule 1.15 Funds.

(c) Qualified Funds: The lawyer should apply an economic benefits test to determine whether Rule 1.15 Funds are Qualified Funds. Rule 1.15 Funds are not Qualified Funds if the lawyer will hold the funds for such a length of time, or if the Rule 1.15 Funds are of sufficient amount that the interest generated on the funds will exceed the cost of earning and conveying the interest to Third Party Owner.

(i) Law firm compliance v. lawyer responsibility: A lawyer who is an employee or member of a law firm that maintains an IOLTA Account is presumed to be in compliance with IOLTA regulations when the lawyer uses only the law firm approved IOLTA Account for the deposit of all Qualified Funds entrusted to him or her. However, the lawyer is ultimately responsible to assure that he or she is in compliance with Pa.R.P.C. 1.15 and these regulations.

(ii) Good faith judgment: A lawyer must use good faith judgment in determining whether Rule 1.15 Funds are Qualified Funds. A lawyer will not be liable for damages or be held to have breached a fiduciary duty or responsibility because the lawyer deposited funds into an IOLTA Account pursuant to the lawyer's judgment in good faith that the funds were Qualified Funds.

(iii) Nominal Rule 1.15 Funds: Funds that when considered alone are not large enough to earn net interest for the Third Party Owner thereof are Qualified Funds.

(iv) Funds held for a short time: Funds which are not expected to be held for sufficient time to provide net interest for the Third Party Owner are Qualified Funds.

(v) Factors which should be used to determine whether funds can reasonably be expected to generate net interest for the Third Party Owner include:

(1) the cost to the lawyer of establishing and maintaining account(s) benefiting Third Party Owners;

(2) the account and service charges of the financial institution in which the account is maintained;

(3) the minimum deposit requirements of the financial institution in which the account is maintained;

(4) accounting fees likely to be incurred by the lawyer in connection with the funds;

(5) the lawyer's anticipated tax reporting requirement costs incurred in connection with the funds;

(6) the nature of the transaction(s) or proceeding(s) involved; and

(7) the likelihood of delay in the relevant transaction(s) or proceeding(s).

(d) Examples of Rule 1.15 Funds and Qualified Funds:

(i) Estates, trusts, guardianships, etc.: Funds held by a lawyer as a personal representative, trustee, guardian, attorney-in-fact or the like are specifically excluded from the definition of Rule 1.15 Funds. However, if these funds are nominal in amount or reasonably expected to be held for such a short period that sufficient interest will not be generated to justify the expense of earning interest for the client or third person, these funds may be deposited in an IOLTA Account.

(ii) Conveying accounts/real estate closings: Funds generated from real estate closings will be Qualified Funds, if the lawyer receives the funds in connection with a client-lawyer relationship or if Pa.R.P.C. 5.7(a), (b), or (c)

apply. Generally, these funds are held for a short period of time and are not expected to provide interest for the Third Party Owner.

(iii) Advanced costs, fees, and refundable retainer accounts: Such advances are Qualified Funds when they are nominal or held for a short period of time, and will remain Qualified Funds until earned/expended by the lawyer and thereby removed from the IOLTA Account.

(iv) Proceeds from dispute settlements/lawsuits: Generally settlement funds are Qualified Funds if the settlement proceeds are nominal in amount or held for a short period of time. If settlement proceeds are not Qualified Funds, they must be placed in a Trust Account or other investment vehicle specifically agreed upon by the lawyer and the Third Party Owner.

§ 81.105. Approved Financial Institutions.

(a) The Supreme Court of Pennsylvania approves financial institutions in which a lawyer may maintain a Trust Account. This list of approved financial institutions is published from time to time pursuant to Pa.R.D.E. 221.

(b) All lawyers must deposit Rule 1.15 Funds which are not Qualified Funds in a Trust Account with an approved financial institution, unless an agreement exists between the Third Party Owner and the lawyer to use another investment vehicle.

(c) All lawyers must deposit Rule 1.15 Funds which are Qualified Funds in an IOLTA Account with an approved financial institution. Moreover, each financial institution must send a report to the lawyer showing the interest and account service charges concerning the IOLTA Account. The financial institution must report this same information to the IOLTA Board, and must also report the average daily balance in the account during the remittance period, if that information is available.

(d) Acceptable account title: The lawyer must specifically identify an IOLTA account with the words "IOLTA Trust Account" or "IOLTA Escrow Account" and the name of the lawyer or the law firm who maintains the account in the main title of the account.

(e) Acceptable title on checks/deposit slips: The word "IOLTA" need not be placed on checks or deposit slips.

(f) Credit unions: IOLTA Accounts maintained in credit unions may not be insured. Therefore, IOLTA Accounts must not be established in a credit union unless only Rule 1.15 Funds of owners who are or are eligible to be members of the credit union are deposited into the account.

§ 81.106. Interest on IOLTA Accounts.

(a) The rate of interest paid on IOLTA Accounts shall be not less than the highest rate of interest generally available from the financial institution to depositors generally for accounts with the same minimum balance and other account eligibility requirements.

(b) A financial institution shall be deemed to have satisfied the requirements of subsection (a) of this regulation if the rate of interest offered by the financial institution on IOLTA Accounts is not less than the rate of interest identified from time to time by the Board as the "safe harbor" rate in the Board's "Guidelines for Financial Institutions."

(c) Under no circumstances may the rate of interest payable on an IOLTA Account be less than the rate paid by the depository institution on negotiable order of withdrawal accounts or super negotiable order of withdrawal accounts.

(d) Remittance of interest: Any interest earned under the IOLTA program must be remitted to the Board at least every quarter. The following information must be provided to the Board and to the lawyer who maintains the IOLTA Account at the time of each remittance:

(i) The name of the account;

(ii) The service charges or fees deducted, if any;

(iii) The amount of interest remitted from the account; and

(iv) If available, the average daily balance in the IOLTA Account.

§ 81.107. Service Charges on IOLTA Accounts.

(a) Financial institutions may impose reasonable service charges for the administration of IOLTA Accounts. A financial institution may not deduct service charges from the principal balance in an IOLTA Account. Reasonable service charges, as well as regular account maintenance fees and transaction charges, can be deducted against the total amount of interest to be paid on the IOLTA Account to which the service charges apply.

(b) All costs associated with check printing, overdraft charges, charges for a temporary extension of credit and similar bank charges shall not be assessed against the principal balance in or interest earned on any accrued interest earned on an IOLTA Account. The lawyer maintaining the account shall be responsible for these costs.

(c) Costs for services such as overdrafts on deposited items, stopped payments, certified checks, and wire transfers at the request of the lawyer or a beneficial owner shall not be assessed against principal balance in or interest earned on an IOLTA Account. The lawyer or the beneficial owner shall be responsible for these costs.

§ 81.108. Exclusion and Exemptions from IOLTA Participation.

(a) Certain lawyers, because of their employment, are excluded from Pa.R.P.C. 1.15(g). A lawyer who does not receive Rule 1.15 Funds is excluded from IOLTA. Examples include lawyers employed full time in a corporate capacity, by local, state or federal government, as a law clerk, professor, or as a member of the judiciary. A lawyer who does not have an office in Pennsylvania, does not receive Rule 1.15 Funds in a representative capacity from Third Party Owners in the Commonwealth, and who is not otherwise required to maintain Rule 1.15 Funds in a Trust Account in the Commonwealth is excluded from Pa.R.P.C. 1.15(g). A lawyer who is retired or no longer practices law need not maintain an IOLTA account.

(b) Pa.R.P.C. 1.15(h) permits limited exemptions from the requirement that all Qualified Funds must be maintained in an IOLTA Account. No exemption is automatic, although exemptions will be routinely granted under specified circumstances. The Board may declare a lawyer exempt from the requirement of maintaining an IOLTA Account; alternatively, a lawyer may submit a written request for exemption.

(c) Nonqualified Funds are to be deposited in a Trust Account or in another investment vehicle specifically agreed upon by the lawyer and Third Party Owner, and the Board is without power to grant an exemption from this requirement. If a lawyer is exempt from the requirement of maintaining an IOLTA Account, the lawyer must still deposit Qualified Funds in a Trust Account.

(d) Under the following circumstances, the Board will routinely grant an exemption from the requirement that a lawyer maintains all Qualified Funds in an IOLTA Account:

(i) Low balance account: Any Trust Account which historically, generally based upon 12 consecutive months of activity, has an average daily balance of Three Thousand Five Hundred (\$3,500) Dollars or less (or such other amount as the Board announces from time to time) will be exempt from being an IOLTA Account. The Board may exempt from IOLTA, without application, a low balance account. A lawyer requesting an exemption based on a low balance account must, as a part of the written request for exemption, include an account analysis or written statement that demonstrates the amount of the average daily balance.

(ii) Account service charges routinely exceed interest: Some Trust Accounts may have an average daily balance of more than \$3,500, but because of the account service charges or the interest rates of the financial institution, the charges would routinely exceed interest earned on the Trust Account. In these cases, an exemption may be requested. A lawyer requesting an exemption based on these circumstances must, as part of the written request for exemption, include an account analysis or written statement that clearly shows the interest earned, or the interest that would have been earned, on the account each month for the past 12 months, plus the account service charges imposed on the account for each of the last 12 months.

(iii) Extreme impracticality or undue hardship: Under limited circumstances it would be unduly burdensome for a lawyer to maintain a Trust Account as an IOLTA Account. When claiming extreme impracticality or undue hardship, the lawyer should provide appropriate details demonstrating undue hardship. An example includes the lack of an approved financial institution that offers IOLTA Accounts in the lawyer's geographical location.

(iv) Other compelling and necessitous reasons: There may be compelling and necessitous reasons justifying an exemption from the requirement that the lawyer maintain a Trust Account as an IOLTA Account. A lawyer who demonstrates a compelling and necessitous reason for not complying with IOLTA may request an exemption. A philosophical objection to IOLTA does not constitute a compelling and necessitous reason for an exemption.

(e) Interest waived by a Third Party Owner: An exemption from the requirement that a Trust Account be maintained as an IOLTA Account will not be granted based on an agreement between a lawyer and Third Party Owner purportedly waiving the Third Party Owner's right to interest or granting the lawyer the power to direct interest earned on Rule 1.15 Funds to the lawyer or to another person of the lawyer's choice.

§ 81.109. Requests for Exemptions and Reconsideration.

(a) If the Board denies a lawyer's request for an exemption from maintenance of an IOLTA Account, the lawyer may, within 30 days of written notice of denial from the Board, request in writing a reconsideration of the Board's decision. All requests for reconsideration shall set forth in detail additional facts, if any, not brought before the Board in the request for exemption, as well as the reasons, if any, why an exemption should be granted.

(b) If the Board has determined that a lawyer is exempt from the requirement of maintaining an IOLTA Account, the lawyer may, within 30 days of written notice from the Board that the lawyer is exempt, request in writing a reconsideration of the Board's decision. All requests for reconsideration shall set forth in detail facts, if any, why the lawyer should maintain an IOLTA

Account, and the manner, if any, in which the Board and the purposes of the IOLTA program will be furthered by the lawyer's maintenance of an IOLTA Account.

(c) Notice shall be deemed to have been given to a lawyer under the provisions of subsections (a) and (b) of this Section 81.109 upon the deposit by the Board, postage prepaid, with the United States Postal Service of its written determination regarding the exemption, if any, of the lawyer from IOLTA.

(d) The Board may delegate to its staff or to a committee of the Board the authority to determine exemptions from IOLTA or to reconsider exemption denials or determinations.

§ 81.110. Annual Certification of Compliance with Pa.R.P.C. 1.15.

On or before July 1 of each year, each lawyer who is required by Pa.R.D.E. 219 to pay an annual fee must also file with the Administrative Office a signed statement on the prescribed form stating his or her familiarity and compliance with Pa.R.P.C. 1.15 in regards to handling funds, maintaining IOLTA Accounts and Pa.R.D.E. 221. Each lawyer is directed to Pa.R.D.E. 219(d).

§ 81.111. Refunds.

(a) The Board may return interest paid to IOLTA under certain circumstances. If a lawyer mistakenly places Nonqualified Funds in an IOLTA Account, or if the lawyer reasonably believed that Rule 1.15 Funds were Qualified Funds, but the Rule 1.15 Funds were in fact not Qualified Funds, then the lawyer may apply for a refund of interest paid to IOLTA.

(b) The following guidelines apply to applications for return of interest:

(i) The lawyer must make the application in writing on firm letterhead.

(ii) The application must be accompanied by verification from the financial institution in which the IOLTA Account is maintained of the interest earned on the Rule 1.15 Funds for which a refund is sought. As needed for auditing purposes, the Board may request additional documentation.

(iii) The application must be received by the Board within six months after the Rule 1.15 Funds have been disbursed from the IOLTA Account.

(iv) The refund will be remitted to the lawyer for his/her distribution to the Third Party Owner. The Board will issue an IRS (Internal Revenue Service) form 1099 to the lawyer who, in turn, is responsible for issuing an IRS form 1099 to the Third Party Owner.

(v) If the financial institution has imposed a service charge with respect to the deposit, only the net amount of interest paid to IOLTA (reduced by applicable service charges) will be refunded.

(vi) The IOLTA program may deduct a processing charge from the refund.

§ 81.112. Violations.

(a) The Board will refer to the Office of Disciplinary Counsel the name, address and circumstances surrounding any lawyer who, not being exempted from the maintenance of an IOLTA Account, fails or refuses to comply with the IOLTA provisions of Pa.R.P.C. 1.15 and these regulations.

(b) The Board may reconsider its determination of IOLTA compliance based upon information obtained by

the Office of Disciplinary Counsel during its investigation of a referral from the Board for non-compliance.

The Pennsylvania Interest on Lawyers Trust Account Board

Promulgated by the Pennsylvania Interest on Lawyers Trust Account Board and Approved by the Supreme Court of Pennsylvania

These regulations are to be read and applied in connection with the Pennsylvania Rules of Professional Conduct. Nothing in these regulations shall be construed to relieve a lawyer of any provision of the Pennsylvania Rules of Professional Conduct. Where these regulations contain directives pertaining to the Interest on Lawyers Trust Account program which are more specific than those set forth in the Pennsylvania Rules of Professional Conduct, the provisions of these regulations shall control.

Questions and Answers Concerning Pennsylvania IOLTA

Statement of Purpose

The following is a representation of the questions most frequently asked of the Pennsylvania Interest on Lawyers Trust Account Board (the "IOLTA Board") and the answers given. Some of the answers paraphrase the actual Rules of Professional Conduct or Regulations of the IOLTA Board. Reference should be made to the Rules and to the Regulations when appropriate.

What is the Basic Concept of IOLTA?

Clients and third persons frequently transfer monies to lawyers to hold. Rule 1.15 of the Pennsylvania Rules of Professional Conduct generally requires the lawyer to deposit all monies of clients and third persons ("Rule 1.15 Funds") in a Trust Account. When the amount is large or if the funds will be held for an extended period of time, lawyers invest them for the benefit of the owner. These funds are known as Nonqualified Funds. But when the funds are nominal in amount or expected to be held for a short time, they cannot practically be invested to benefit the owner of the funds. These funds are Qualified Funds.

Rule 1.15 of the Pennsylvania Rules of Professional Conduct requires a lawyer to deposit Qualified Funds in a particular type of Trust Account: an interest-bearing IOLTA Account. The result is that funds that would otherwise earn no interest can be put to constructive use.

The lawyer's bank transfers the interest earned on IOLTA Accounts ("IOLTA Funds"), no less frequently than quarterly, to the IOLTA Board. The Board distributes the IOLTA Funds for the delivery of civil legal assistance to the poor and disadvantaged, educational legal clinical programs and internships administered by law schools, the administration of justice, and for the administration and development of the IOLTA program.

How do lawyers comply with the IOLTA requirements of Rule 1.15?

An "Enrollment Form for Lawyers and Law Firms" can be used to direct the financial institution to open or convert one or more of the lawyer's Trust Account(s) to interest-bearing IOLTA Accounts. Submit the second copy of the enrollment form, along with a list of all the lawyers who use the IOLTA Account in the regular course of their practice, to the IOLTA Board.

On an annual basis as part of the licensing process, lawyers are required to certify compliance with Rule 1.15 of the Pennsylvania Rules of Professional Conduct regard-

ing the handling of funds and other property of clients or third persons ("Third Party Owners") and the maintenance of their IOLTA Accounts.

What will happen if a lawyer does not comply with Rule 1.15?

If a lawyer does not comply with the requirements outlined in Rule 1.15 of the Pennsylvania Rules of Professional Conduct, he or she will be subject to the same disciplinary penalties as any lawyer who does not comply with any of the other requirements for the practice of law in Pennsylvania.

The Board will refer to the Office of Disciplinary Counsel the names of lawyers who do not comply with IOLTA.

Are any exemptions from IOLTA participation allowed?

Yes, a lawyer may apply for an exemption from the requirement that all Qualified Funds be placed in an IOLTA Account. However, the exemption will be granted by the IOLTA Board only for one of the reasons specified in Rule 1.15. Write to the IOLTA Board if you believe any of the permitted exemptions apply. Exemptions will be granted if:

(A) the nature of the lawyer's practice does not require the routine maintenance of a Trust Account in Pennsylvania;

(B) the establishment of an IOLTA Account would work an undue hardship on the lawyer or would be extremely impractical, based either on the geographical distance between the lawyer's principal office and the closest approved financial institution or on other compelling and necessitous factors;

(C) the lawyer's historical annual Trust Account experience, based on information from the financial institution in which the lawyer deposits Rule 1.15 Funds, demonstrates the service charges on the Trust Account would significantly and routinely exceed any interest generated.

What funds are to be placed in IOLTA Accounts?

Qualified Funds are monies of a client or third person received by a lawyer, that in the good faith judgment of the lawyer, are nominal in amount or which the lawyer reasonably expects to be held for such a short period of time, such that sufficient interest income will not be generated to justify the expense of earning interest to benefit the client or third person.

A lawyer will not be liable for damages or held to have breached his or her professional responsibility because monies are deposited in an IOLTA Account pursuant to the lawyer's judgment in good faith that the monies are Qualified Funds.

However, the lawyer should review the funds held in his/her IOLTA Account at reasonable intervals to determine whether circumstances have changed that require changes with respect to the Rule 1.15 Funds held in the IOLTA Account.

Who pays taxes on the interest income earned on IOLTA accounts?

Nobody. The Internal Revenue Service (IRS) has ruled that there are no tax consequences to the Third Party Owner, the lawyer or the IOLTA Board. Also, there is no IRS reporting requirement for the lawyer, financial institution or Third Party Owner since all IOLTA accounts will use the Tax Identification Number of the IOLTA Board.

May a lawyers still open a separate account for funds of Third Party Owners?

Certainly. A lawyer must determine whether funds of Third Party Owners are Qualified Funds or Nonqualified Funds. Nonqualified Funds shall be placed in a Trust Account or in another investment vehicle specifically agreed upon by the lawyer and the Third Party Owner.

How does the IOLTA program affect financial institutions?

Financial institutions are not mandated to participate in IOLTA. However, financial institutions that wish to offer Trust Accounts into which lawyers can deposit Rule 1.15 Funds (whether Qualified or Nonqualified Funds) must be approved by the Supreme Court of Pennsylvania. A list of approved financial institutions can be obtained from the Disciplinary Board.

An IOLTA Account is an unsegregated Trust Account for the deposit of Qualified Funds by a lawyer. The rate of interest payable on an IOLTA Account cannot be less than the highest rate or dividend generally available from the financial institution to its non-IOLTA Account customers when the IOLTA Account meets or exceeds the same minimum balance and other account eligibility qualifications. Financial institutions remit the interest at least quarterly to the IOLTA Board.

Financial institutions must transmit to the IOLTA Board and to the lawyer who maintains the IOLTA Account a statement showing certain information. This includes, at a minimum, the name of the account, the service charges or fees deducted, if any, and the amount remitted from the lawyer's IOLTA Account. If available, the financial institution shall also provide information regarding the average daily balance in the account.

Where do IOLTA funds go?

Interest earned on IOLTA Accounts may be used only for the following purposes:

- (1) delivery of civil legal assistance to the poor and disadvantaged in Pennsylvania by non-profit corporations which are tax-exempt under the Internal Revenue Code;
- (2) educational legal clinical programs and internships administered by law schools located in Pennsylvania;
- (3) the administration of justice in Pennsylvania; and
- (4) the administration and development of the IOLTA program in Pennsylvania.

All disbursements and allocations of IOLTA funds are subject to the prior approval of the Supreme Court of Pennsylvania.

Who is the IOLTA Board?

The IOLTA Board is the Pennsylvania Interest on Lawyers Trust Account Board composed of nine members appointed by the Supreme Court of Pennsylvania.

What if a lawyer mistakenly deposits funds which are not Qualified Funds into an IOLTA Account?

As long as the lawyer used good faith judgment, the lawyer will not be liable in damages for placing Nonqualified Funds into an IOLTA Account, nor will the lawyer be held to have breached any fiduciary duty or responsibility because monies were deposited into an IOLTA Account. Additionally, if timely requested, a refund of IOLTA interest received by the Board attributable to the mistaken deposit, net of an administrative charge, will be made to the lawyer for distribution to the Third Party Owner.

May all lawyers in a law firm use the same IOLTA Account?

Yes. If a law firm established an IOLTA Account, each lawyer who deposits all Qualified Funds in that account will be deemed to be in compliance with IOLTA. This account must be set up according to IOLTA regulations. However, each lawyer is ultimately responsible to ensure that he or she is in compliance with IOLTA.

Can a lawyer deposit Qualified Funds into a credit union or brokerage account?

Rule 1.15 Funds in IOLTA Accounts, if maintained at credit unions and brokerages, may not be insured. Since all IOLTA Accounts must be insured, only those approved financial institutions which insure IOLTA Accounts can be used as depositories for Qualified Funds. The owner of the Rule 1.15 Funds must qualify for membership in the credit union in order for the funds to be insured.

What if a lawyer only practices law for part of the year?

The lawyer must comply with the IOLTA rules, even if he or she only practices law for part of the year.

What types of legal employment are excluded from IOLTA?

A lawyer whose employment does not result in the handling of funds of a client or third person will generally be excluded from IOLTA. Examples include corporate or governmental lawyers, judges, and law school professors as long as they do not maintain a private practice.

What are some factors which should be used to determine whether monies are Qualified Funds?

Factors which can be used to determine which monies are Qualified Funds include: (1) the cost to the lawyer of establishing and maintaining account(s) benefiting the client or third person; (2) the financial institution's service charges; (3) the minimum deposit requirements; (4) the accounting fees; (5) the tax reporting requirements; (6) the nature of the transaction(s) or proceedings(s) involved; and (7) the likelihood of delay in the relevant transaction(s) or proceeding(s).

Must a lawyer who receives funds while acting as a fiduciary deposit those funds into an IOLTA Account?

Rule 1.15(d), as amended in April 2005, specifically excludes funds which the lawyer receives while acting as fiduciary for an estate, trust, guardianship or conservatorship. However, Comment 7 to the Rule, as amended in April, 2005, does state that funds received by a lawyer while serving as an executor or trustee, if nominal in amount or expected to be held for such a short period of time that sufficient interest will not be generated to justify maintaining a segregated account may, in the discretion of the lawyer, be deposited into an IOLTA Account, although such deposit is not required.

Must a lawyer who receives funds of clients or third persons other than in connection with a client-lawyer relationship deposit those funds in a Trust Account, including an IOLTA Account?

Rule of Professional Conduct 5.7 provides that a lawyer is subject to the Pennsylvania Rules of Professional Conduct with respect to the provision of both legal and nonlegal services: (i) if a lawyer provides nonlegal services that are not distinct from legal services, (ii) if the lawyer provides nonlegal services that are distinct from legal services, but the lawyer knows or reasonably should know that the recipient might believe that the recipient of the services is receiving the protection of a client-lawyer relationship, or (iii) if the lawyer is a owner, controlling party, employee, agent, or is otherwise affili-

ated with an entity providing nonlegal services and the lawyer knows or reasonably should know that the recipient of the service might believe that the recipient is receiving the protection of a client-lawyer relationship. In each of these three cases, the lawyer will be subject to the obligations of Rule 1.15 of the Pennsylvania Rules of Professional Conduct and these Regulations as if a client-lawyer relationship existed with the recipient of the services. The lawyer then must deposit all funds of the client or a third person which are received in connection with that relationship in a Trust Account, regardless of whether the funds resulted from legal or nonlegal services. If the funds are Qualified Funds, those funds are to be placed in an IOLTA Account.

Who pays the service charges for IOLTA Accounts?

Account service charges on an IOLTA Account will be paid by offsetting the service charges against interest earned on that account.

Bank charges pertaining to the lawyer's practice (e.g. check printing charges, overdraft charges, charges for temporary extensions of credit, etc.) and costs billable to others (e.g. overdraft charges on deposited items, certified checks, wire transfers, etc.), will be the responsibility of the lawyer.

Annex A

TITLE 207. JUDICIAL CONDUCT

PART II. CONDUCT STANDARDS

CHAPTER 33. CODE OF JUDICIAL CONDUCT

Subchapter A. CANONS

Canon 1. [**A judge**] **Judges** should uphold the integrity and independence of the judiciary.

An independent and honorable judiciary is indispensable to justice in our society. [**A judge**] **Judges** should participate in establishing, maintaining, and enforcing, and should [**himself**] **themselves** observe, high standards of conduct so that the integrity and independence of the judiciary may be preserved. The provisions of this Code should be construed and applied to further that objective.

Canon 2. [**A judge**] **Judges** should avoid impropriety and the appearance of impropriety in all [**his**] **their** activities.

A. [**A judge**] **Judges** should respect and comply with the law and should conduct [**himself**] **themselves** at all times in a manner that promotes public confidence in the integrity and impartiality of the judiciary.

B. [**A judge**] **Judges** should not allow [**his**] **their** family, social, or other relationships to influence [**his**] **their** judicial conduct or judgment. [**He**] **They** should not lend the prestige of [**his**] **their** office to advance the private interests of others; nor should [**he**] **they** convey or knowingly permit others to convey the impression that they are in a special position to influence [**him**] **the judge**. [**He**] **Judges** should not testify voluntarily as a character witness.

Official Note: Public confidence in the judiciary is eroded by irresponsible or improper conduct by judges. [**A judge**] **Judges** must avoid all impropriety and appearance of impropriety. [**He**] **They** must expect to be the subject of constant public scrutiny. [**He**] **They** must therefore accept restrictions on [**his**] **their** conduct that might be viewed as burdensome by the ordinary citizen and should do so freely and willingly.

The testimony of [**a judge as a character witness**] **judges as character witnesses** injects the prestige of [**his**] **their** office into the proceeding in which [**he**] **testifies**] **they testify** and may be misunderstood to be official testimonial. This Canon, however, does not afford [**him**] **them** a privilege against testifying in response to an official summons.

Canon 3. [**A judge**] **Judges** should perform the duties of [**his**] **their** office impartially and diligently.

The judicial duties of [a judge] judges take precedence over all [**his**] **their** other activities. [**His**] **Their** judicial duties include all the duties of [**his**] **their** office prescribed by law. In the performance of these duties, the following standards apply:

A. *Adjudicative responsibilities.*

(1) [**A judge**] **Judges** should be faithful to the law and maintain professional competence in it. [**He**] **They** should be unswayed by partisan interests, public clamor, or fear of criticism.

(2) **[A judge] Judges** should maintain order and decorum in proceedings before **[him] them**.

(3) **[A judge] Judges** should be patient, dignified, and courteous to litigants, jurors, witnesses, lawyers, and others with whom **[he deals in his] they deal in their** official capacity, and should require similar conduct of lawyers, and of **[his] their** staff, court officials, and others subject to **[his] their** direction and control.

Official Note: The duty to hear all proceedings fairly and with patience is not inconsistent with the duty to dispose promptly of the business of the court. Courts can be efficient and businesslike while being patient and deliberate.

(4) **[A judge] Judges** should accord to **[every person who is] all persons who are** legally interested in a proceeding, or **[his lawyer] their lawyers**, full right to be heard according to law, and, except as authorized by law, must not consider ex parte communications concerning a pending proceeding.

(5) **[A judge] Judges** should dispose promptly of the business of the court.

Official Note: Prompt disposition of the court's business requires **[a judge] judges** to devote adequate time to **[his] their** duties, to be punctual in attending court and expeditious in determining matters under submission, and to insist that court officials, litigants and their lawyers cooperate with **[him] them** to that end.

(6) **[A judge] Judges** should abstain from public comment about a pending proceeding in any court, and should require similar abstention on the part of court personnel subject to **[his] their** direction and control. This subsection does not prohibit judges from making public statements in the course of their official duties or from explaining for public information the procedures of the court.

Official Note: "Court personnel" does not include the lawyers in a proceeding before a judge. The conduct of lawyers is governed by DR7-107 of the Code of Professional Responsibility.

(7) **[A judge] Judges** should prohibit broadcasting, televising, recording or taking photographs in the courtroom and areas immediately adjacent thereto during sessions of court or recesses between sessions, except that a judge may authorize:

* * * * *

B. *Administrative responsibilities.*

(1) **[A judge] Judges** should diligently discharge **[his] their** administrative responsibilities, maintain professional competence in judicial administration, and facilitate the performance of the administrative responsibilities of other judges and court officials.

(2) **[A judge] Judges** should require **[his] their** staff and court officials subject to **[his] their** direction and control to observe the standards of fidelity and diligence that apply to **[him] judges**.

(3) **[A judge] Judges** should take or initiate appropriate disciplinary measures against a judge or lawyer for unprofessional conduct of which the judge may become aware.

Official Note: Disciplinary measures may include reporting a judge's or lawyer's misconduct to an appropriate disciplinary body.

(4) **[A judge] Judges** should not make unnecessary appointments. **[He] They** should exercise **[his] their** power of appointment only on the basis of merit, avoiding favoritism. **[He] They** should not approve compensation of appointees beyond the fair value of services rendered.

Official Note: Appointees of the judge include officials such as referees, commissioners, special masters, receivers, guardians and personnel such as clerks, secretaries, and bailiffs. Consent by the parties to an appointment or an award of compensation does not relieve the judge of the obligation prescribed by this subsection.

C. *Disqualification.*

(1) **[A judge] Judges** should disqualify **[himself] themselves** in a proceeding in which **[his] their** impartiality might reasonably be questioned, including but not limited to instances where:

(a) **[he has] they have** a personal bias or prejudice concerning a party, or personal knowledge of disputed evidentiary facts concerning the proceeding;

(b) **[he] they** served as a lawyer in the matter in controversy, or a lawyer with whom **[he] they** previously practiced law served during such association as a lawyer[,] concerning the matter, or the judge or such lawyer has been a material witness concerning it;

Official Note: A lawyer in a governmental agency does not necessarily have an association with other lawyers employed by that agency within the meaning of this subsection; **[a judge] judges** formerly employed by a governmental agency, however, should disqualify **[himself] themselves** in a proceeding if **[his] their** impartiality might reasonably be questioned because of such association.

(c) **[he knows that he] they know that they**, individually or as a fiduciary, or **[his] their** spouse or minor child residing in **[his] their** household, **[has] have** a substantial financial interest in the subject matter in controversy or in a party to the proceeding, or any other interest that could be substantially affected by the outcome of the proceeding;

(d) **[he or his] they or their** spouse, or a person within the third degree of relationship to either of them, or the spouse of such a person:

(i) is a party to the proceeding, or an officer, director, or trustee of a party;

(ii) is acting as a lawyer in the proceeding;

Official Note: The fact that a lawyer in a proceeding is affiliated with a law firm with which a lawyer-relative of the judge is affiliated does not of itself disqualify the judge. Under appropriate circumstances, the fact that **[his] their** impartiality might reasonably be questioned" under Canon 3C(1), or that the lawyer-relative is known by the judge to have an interest in the law firm that could be "substantially affected by the outcome of the proceeding" under Canon 3C(1)(d)(iii) may require **[his] the judge's** disqualification.

(iii) is known by the judge to have an interest that could be substantially affected by the outcome of the proceeding;

(iv) is to the judge's knowledge likely to be a material witness in the proceeding;

(2) **[A judge] Judges** should inform **[himself about his] themselves about their** personal and fiduciary financial interests, and make a reasonable effort to inform **[himself] themselves** about the personal financial interests of **[his] their** spouse and minor children residing in **[his] their** household.

(3) For the purposes of this section:

(a) the degree of relationship is calculated according to the civil law system;

Official Note: According to the civil law system, the third degree of relationship test would, for example, disqualify **[the judge if his or his spouse's father, grandfather, uncle, brother, or niece's husband] judges if their or their spouse's parents, grandparents, aunts or uncles, siblings, nieces or nephews or their spouses** were a party or lawyer in the proceeding, but would not disqualify **[him] them** if a cousin were a party or lawyer in the proceeding.

* * * * *

Canon 4. **[A judge] Judges** may engage in activities to improve the law, the legal system, and the administration of justice.

[A judge] Judges, subject to the proper performance of **[his] their** judicial duties, may engage in the following quasi-judicial activities, if in doing so **[he does] they do** not cast doubt on **[his] their** capacity to decide impartially any issue that may come before **[him] them**:

A. **[He] They** may speak, write, lecture, teach, and participate in other activities concerning the law, the legal system, and the administration of justice.

B. **[He] They** may appear at a public hearing before an executive or legislative body or official on matters concerning the law, the legal system, and the administration of justice, and **[he] they** may otherwise consult with an executive or legislative body or official, but only on matters concerning the administration of justice.

C. **[He] They** may serve as a member, officer, or director of an organization or governmental agency devoted to the improvement of the law, the legal system, or the administration of justice. **[He] They** may assist such an organization in raising funds and may participate in their management and investment, but should not personally participate in public fund raising activities. **[He] They** may make recommendations to public and private fund-granting agencies on projects and programs concerning the law, the legal system, and the administration of justice.

Official Note: As a judicial officer and person specially learned in the law, **[a judge is] judges are** in a unique position to contribute to the improvement of the law, the legal system, and the administration of justice. To the extent that **[his] their** time permits, **[he is] they are** encouraged to do so, either independently or through a bar association, judicial conference, or other organization dedicated to the improvement of the law.

Extra-judicial activities are governed by Canon 5.

Canon 5. **[A judge] Judges** should regulate **[his] their** extra-judicial activities to minimize the risk of conflict with **[his] their** judicial duties.

A. *Avocational activities.*

[A judge] Judges may write, lecture, teach, and speak on non-legal subjects, and engage in the arts, sports, and other social and recreational activities, if such avocational activities do not detract from the dignity of **[his] their** office or interfere with the performance of **[his] their** judicial duties.

Official Note: Complete separation of **[a judge] judges** from extra-judicial activities is neither possible nor wise; **[he] they** should not become isolated from the society in which **[he lives] they live**.

B. *Civic and Charitable Activities.*

[A judge] Judges may participate in civic and charitable activities that do not reflect adversely upon **[his] their** impartiality or interfere with the performance of **[his] their** judicial duties. **[A judge] Judges** may serve as an officer, director, trustee, or nonlegal advisor of an educational, religious, charitable, fraternal, or civic organization not conducted for the economic or political advantage of its members, subject to the following limitations:

(1) **[A judge] Judges** should not serve if it is likely that the organization will be engaged in proceedings that would ordinarily come before **[him] them** or will be regularly engaged in adversary proceedings in any court.

Official Note: The changing nature of some organizations and of their relationship to the law makes it necessary for **[a judge] judges** regularly to reexamine the activities of each organization with which **[he is] they are** affiliated to determine if it is proper for **[him] them** to continue **[his] their** relationship with it. For example, in many jurisdictions charitable hospitals are now more frequently in court than in the past. Similarly, the boards of some legal aid organizations now make policy decisions that may have political significance or imply commitment to causes that may come before the courts for adjudication.

(2) **[A judge] Judges** should not solicit funds for any educational, religious, charitable, fraternal, or civic organization, or use or permit the use of the prestige of **[his] their** office for that purpose, but **[he] they** may be listed as an officer, director, or trustee of such an organization. **[He] They** should not be a speaker or the guest of honor at an organization's fund raising events, but **[he] they** may attend such events.

(3) **[A judge] Judges** should not give investment advice to such an organization, but **[he] they** may serve on its board of directors or trustees even though it has the responsibility for approving investment decisions.

Official Note: A judge's participation in an organization devoted to quasi-judicial activities is governed by Canon 4.

C. *Financial activities.*

(1) **[A judge] Judges** should refrain from financial and business dealings that tend to reflect adversely on **[his] their** impartiality, interfere with the proper per-

formance of **[his] their** judicial duties, exploit **[his] their** judicial position, or involve **[him] them** in frequent transactions with lawyers or persons likely to come before the court on which **[he serves] they serve**.

(2) Subject to the requirement of subsection (1), **[a judge] judges** may hold and manage investments, including real estate, and engage in other remunerative activity including the operation of a family business.

Official Note: The Effective Date of Compliance provision of this Code qualifies this subsection with regard to a judge engaged in a family business at the time this Code becomes effective.

(3) **[A judge] Judges** should manage **[his] their** investments and other financial interests to minimize the number of cases in which **[he is] they are** disqualified. As soon as **[he] they** can do so without serious financial detriment, **[he] they** should divest **[himself] themselves** of investments and other financial interests that might require frequent disqualification.

(4) Information acquired by **[a judge in his] judges in their** judicial capacity should not be used or disclosed by **[him] them** in financial dealings or for any other purpose not related to **[his] their** judicial duties.

D. *Fiduciary Activities.*

[A judge] Judges should not serve as the executor, administrator, trustee, guardian, or other fiduciary, except for the estate, trust, or person of a member of **[his] their** family, and then only if such service will not interfere with the proper performance of **[his] their** judicial duties. "Member of **[his] their** family" includes a spouse, child, grandchild, parent, grandparent, or other relative or person with whom the judge maintains a close familial relationship. As a family fiduciary **[a judge is] judges are** subject to the following restrictions:

(1) **[He] They** should not serve if it is likely that as a fiduciary **[he] they** will be engaged in proceedings that would ordinarily come before **[him] them**, or if the estate, trust, or ward becomes involved in adversary proceedings in the court on which **[he serves] they serve** or one under its appellate jurisdiction.

Official Note: The Effective Date of Compliance provision of this Code qualifies this subsection with regard to a judge who is an executor, administrator, trustee, or other fiduciary at the time this Code becomes effective.

(2) While acting as a fiduciary **[a judge is] judges are** subject to the same restrictions on financial activities that apply to **[him in his] them in their** personal capacity.

Official Note: **[A judge's obligation] Judges' obligations** under this Canon and **[his obligation] their obligations** as a fiduciary may come into conflict. For example, a judge should resign as trustee if it would result in detriment to the trust to divest it of holdings whose retention would place the judge in violation of Canon 5C(3).

E. *Arbitration.*

[A judge] Judges should not act as an arbitrator or mediator.

F. *Practice of law.*

[A judge] Judges should not practice law.

G. *Extra-judicial appointments.*

[A judge] Judges should not accept appointment to a governmental committee, commission, or other position that is concerned with issues of fact or policy on matters other than the improvement of the law, the legal system, or the administration of justice. **[A judge] Judges**, however, may represent **[his] their** country, state, or locality on ceremonial occasions or in connection with historical, educational, and cultural activities.

Official Note: Valuable services have been rendered in the past to the states and the nation by judges appointed by the executive to undertake important extra-judicial assignments. The appropriateness of conferring these assignments on judges must be reassessed, however, in light of the demands on **[judicial manpower] judges** created by today's crowded dockets and the need to protect the courts from involvement in extra-judicial matters that may prove to be controversial. Judges should not be expected or permitted to accept governmental appointments that could interfere with the effectiveness and independence of the judiciary.

Canon 6. Compensation received for quasi-judicial and extra-judicial activities permitted by this code.

[A judge] Judges may receive compensation and reimbursement of expenses for the quasi-judicial and extra-judicial activities permitted by this Code, if the source of such payments does not give the appearance of influencing **[the judge] judges in [his] their** judicial duties or otherwise give the appearance of impropriety, subject to the following restrictions:

A. *Compensation.*

Compensation should not exceed a reasonable amount nor should it exceed what a person who is not a judge would receive for the same activity.

B. *Expense reimbursement.*

Expense reimbursement should be limited to the actual cost of travel, food, and lodging reasonably incurred by **[the judge] judges** and, where appropriate to the occasion, by **[his spouse] their spouses**.

Canon 7. **[A judge] Judges** should refrain from political activity inappropriate to **[his] their** judicial office.

A. *Political conduct in general.*

(1) A judge or a candidate for election to judicial office should not:

(a) act as a leader or hold any office in a political organization;

(b) make speeches for a political organization or candidate or publicly endorse a candidate for public office; except as authorized in subsection A(2);

Official Note: **[A candidate does] Candidates do** not publicly endorse another candidate for public office by having **[his] their** name on the same ticket.

(c) solicit funds for or pay an assessment or make a contribution to a political organization or candidate, attend political gatherings, or purchase tickets for political party dinners, or other functions, except as authorized in subsection A(2);

(2) **[A judge] Judges** holding an office filled by public election between competing candidates, or a candidate for such office, may, only insofar as permitted by law, attend political gatherings, speak to such gatherings on **[his] their** own behalf when **[he is] they are** a candidate for election or reelection, or speak on behalf of any judicial candidate for the same office, identify **[himself] themselves** as a member of a political party, and contribute to a political party or organization.

(3) **[A judge] Judges** should resign **[his] their** office when **[he becomes] they become** a candidate either in a party primary or in a general election for a non-judicial office, except that **[he] they** may continue to hold **[his] their** judicial office while being a candidate for election to or serving as a delegate in a state constitutional convention, if **[he is] they are** otherwise permitted by law to do so.

(4) **[A judge] Judges** should not engage in any other political activity except on behalf of measures to improve the law, the legal system, or the administration of justice.

B. Campaign conduct.

(1) **[A candidate] Candidates**, including an incumbent judge, for a judicial office that is filled either by public election between competing candidates or on the basis of a merit system election:

(a) should maintain the dignity appropriate to judicial office, and should encourage members of **[his] their** family to adhere to the same standards of political conduct that apply to **[him] them**;

(b) should prohibit public officials or employees subject to **[his] their** direction or control from doing for **[him what he is] them what judges are** prohibited from doing under this Canon; and except to the extent authorized under subsection B(2) or B(3), **[he] they** should not allow any other person to do for **[him] them** what **[he is] judges are** prohibited from doing under this Canon;

(c) should not make pledges or promises of conduct in office other than the faithful and impartial performance of the duties of the office; make statements that commit or appear to commit the candidate with respect to cases, controversies or issues that are likely to come before the court; or misrepresent **[his] their** identity, qualifications, present position, or other fact.

(2) **[A candidate] Candidates**, including an incumbent judge, for a judicial office that is filled by public election between competing candidates should not **[himself] themselves** solicit or accept campaign funds, or solicit publicly stated support, but **[he] they** may establish committees of responsible persons to secure and manage the expenditure of funds for **[his] their** campaign and to obtain public statements of support for **[his] their** candidacy. Such committees are not prohibited from soliciting campaign contributions and public support from lawyers. **[A candidate's] Candidates'** committees may solicit funds for **[his] their** campaign no earlier than thirty days prior to the first day for filing nominating petitions or the last day for filing a declaration of intention to seek reelection on a retention basis, and all fundraising activities in connection with such judicial campaign shall terminate no later than the last

calendar day of the year in which the judicial election is held. **[A candidate] Candidates** should not use or permit the use of campaign contributions for the private benefit of **[himself] themselves** or members of **[his] their** family.

(3) **[An incumbent judge who is a candidate] Incumbent judges who are candidates** for retention in or reelection to office without a competing candidate may campaign and may obtain publicly stated support and campaign funds in the manner provided in subsection B(2).

Compliance With The Code of Judicial Conduct

Anyone, whether or not a lawyer, who is an officer of a judicial system performing judicial functions, including an officer such as a referee in bankruptcy, special master, court commissioner, or magistrate, is a judge for the purpose of this Code. All judges should comply with this Code except as provided below.

Senior Judge. **[A senior judge who receives] Senior judges who receive** the same compensation as **[a] full-time [judge] judges** on the court from which **[he] they** retired and **[is] are** eligible for recall to judicial service should comply with all the provisions of this Code except Canon 5G, but **[he] they** should refrain from judicial service during the period of an extra-judicial appointment not sanctioned by Canon 5G. All other senior judges eligible for recall to judicial service should comply with the provisions of this Code.

This Code shall not apply to **[justices of the peace, police magistrates of the City of Pittsburgh] magisterial district judges** and judges of the Traffic Court of the City of Philadelphia.

Official Note: Specific rules governing standards of conduct of **[justices of the peace, including police magistrates of the City of Pittsburgh] magisterial district judges**, and judges of the Traffic Court of the City of Philadelphia, are set forth in the Rules Governing Standards of Conduct of **[Justices of the Peace] Magisterial District Judges**.

Effective Date of Compliance

[A person] Persons to whom this Code becomes applicable should arrange **[his] their** affairs as soon as reasonably possible to comply with it. If, however, the demands on **[his] their** time and the possibility of conflicts of interest are not substantial, **[a person who holds] persons who hold** judicial office on the date this Code becomes effective may:

(a) continue to act as an officer, director, or nonlegal advisor of a family business;

(b) continue to act as an executor, administrator, trustee, or other fiduciary for the estate or person of one who is not a member of **[his] their** family.

Reliance on Advisory Opinions

The Ethics Committee of the Pennsylvania Conference of State Trial Judges is designated as the approved body to render advisory opinions regarding ethical concerns involving judges, justices and other judicial officers subject to the Code of Judicial Conduct, and, although such opinions are not per se binding upon **[either the Judicial Inquiry and Review Board] the Judicial Conduct Board, the Court of Judicial Discipline** or

the Supreme Court of Pennsylvania, action taken in reliance thereupon and pursuant thereto shall be taken into account in determining whether discipline should be recommended or imposed.

Commentary. The United States Supreme Court in *Republican Party of Minnesota v. White*, 122 S. Ct. 2528 (2002), concluded that a canon of judicial conduct prohibiting judicial candidates from “announcing their views on disputed legal or political issues” is violative of the First Amendment of the United States Constitution.

**CHAPTER 51. STANDARDS OF CONDUCT OF
MAGISTERIAL DISTRICT JUDGES
PENNSYLVANIA RULES FOR MAGISTERIAL
DISTRICT JUDGES**

Rule 1. Integrity and Independence of Judiciary.

An independent and honorable judiciary is indispensable to justice. [A magisterial district judge] Magisterial district judges should participate in establishing, maintaining and enforcing, and shall [himself] themselves observe, high standards of conduct so that the integrity and independence of the judiciary may be preserved. The provisions for these rules governing standards of conduct of magisterial district judges shall be construed and applied to further that objective.

Official Note: This rule is derived from Canon 1, American Bar Association Code of Judicial Conduct. This and the following rules governing standards of conduct of magisterial district judges provide a complete and exclusive code of conduct for magisterial district judges in Pennsylvania. Those canons of the Code of Judicial Conduct of the American Bar Association thought applicable to magisterial district judges have been paraphrased in these rules, and some of the former standards of conduct rules, which were thought to be more pertinent to magisterial district judges in Pennsylvania than counterpart canons of the American Bar Association Code of Judicial Conduct, have been retained. In determining the standards that apply to [him] them, the magisterial district judges need now consult only these rules and will not be required to consult other sources as was the case heretofore. When canons of the American Bar Association Code of Judicial Conduct have been paraphrased in these rules, pertinent official commentaries to those canons and those parts of the canons thought to be merely expository are set forth in the notes rather than in the rules.

Rule 2. Impropriety and Appearance of Impropriety to be Avoided; Voluntary Appearance as Character Witness Prohibited.

A. [A magisterial district judge] Magisterial district judges shall respect and comply with the law and shall conduct [himself] themselves at all times in a manner that promotes public confidence in the integrity and impartiality of the judiciary. [A magisterial district judge] Magisterial district judges shall not allow [his] their family, social or other relationships to influence [his] their judicial conduct or judgment. [He] They shall not lend the prestige of [his] their office to advance the private interest of others, nor shall [he] they convey or permit others to convey the impression that they are in a special position to influence [him] the judge.

B. [A magisterial district judge] Magisterial district judges shall not testify voluntarily as [a] character [witness] witnesses.

Official Note: This rule is derived from Canon 2, American Bar Association Code of Judicial Conduct, and Pa. R.J.A. No. 1701. Public confidence in the judiciary is eroded by irresponsible or improper conduct by members of the judiciary. [A magisterial district judge] Magisterial district judges must avoid all impropriety and appearance of impropriety. [He] They must expect to be the subject of constant public scrutiny. [He] They must therefore accept restrictions on [his] their conduct that might be viewed as burdensome by the ordinary citizen and should do so freely and willingly.

The testimony of magisterial district [judge] judges as [a] character [witness] witnesses injects the prestige of [his] their office into the proceeding in which [he testifies] they testify and may be misunderstood to be an official testimonial. Rule 2B, however, does not afford [him] them a privilege against testifying as [a] character [witness] witnesses in response to a subpoena the issuance of which has been specifically allowed by the Supreme Court under Pa. R.J.A. No. 1701.

Rule 3. Priority of Judicial Business.

A. [A magisterial district judge] Magisterial district judges shall devote the time necessary for the prompt and proper disposition of the business of [his] their office, which shall be given priority over any other occupation, business, profession, pursuit or activity.

B. [A magisterial district judge] Magisterial district judges shall not use or permit the use of the premises established for the disposition of [his] their magisterial business for any other occupation, business, profession or gainful pursuit.

* * * * *

Rule 4. Adjudicative Responsibilities.

A. [A magisterial district judge] Magisterial district judges shall be faithful to the law and maintain competence in it. [He] They shall be unswayed by partisan interests, public clamor or fear of criticism.

B. [A magisterial district judge] Magisterial district judges shall maintain order and decorum in the proceedings before [him] them. [He] They shall wear judicial robes while conducting hearings and trials.

C. [A magisterial district judge] Magisterial district judges shall be patient, dignified and courteous to litigants, witnesses, lawyers and others with whom [he deals in his] they deal in their official capacity, and shall require similar conduct of lawyers, of [his] their staff and others subject to [his] their direction and control.

D. [A magisterial district judge] Magisterial district judges shall accord to every person who is legally interested in a proceeding, or [his] their lawyer, full right to be heard according to law and, except as authorized by law, neither initiate nor consider ex parte or other communications concerning a pending or impending proceeding. [A magisterial district judge] Magisterial district judges, however, may obtain the advice of a disinterested expert on the law applicable to a proceeding before [him if he gives] them if they give notice to the parties of the person consulted and the substance

of the advice and [affords] afford the parties reasonable opportunities to respond.

Official Note: This rule is derived from Canon 3A(1)-(4) of the American Bar Association and Pennsylvania Supreme Court Code of Judicial Conduct. Magisterial district judges are to be provided with the judicial robes required by subdivision B as part of the expense of operating their offices (See Rule 101(3)). The proscription against communications in subdivision D includes communications from lawyers, law teachers and other persons who are not participants in the proceeding, except to the limited extent permitted. It does not preclude [a magisterial district judge] magisterial district judges from consulting with other members of the judiciary or with court personnel whose function it is to aid the judiciary in carrying out adjudicative responsibilities.

Rule 5. Administrative Responsibilities.

A. [A magisterial district judge] Magisterial district judges shall diligently discharge [his] their administrative responsibilities, maintain competence in judicial administration and facilitate the performance of the administrative responsibilities of [his] their staff and of other members of the judiciary and court officials.

B. [A magisterial district judge] Magisterial district judges shall require [his] their staff to observe the standards of fidelity and diligence that apply to [him] them.

C. [A magisterial district judge] Magisterial district judges shall not make unnecessary appointments to [his] their staff. [He] They shall exercise any such power of appointment that [he] they may have only on the basis of merit, avoiding nepotism and favoritism.

* * * * *

Rule 6. Public Comment.

[A magisterial district judge] Magisterial district judges shall abstain from public comment about a proceeding pending or impending in [his office] their offices or in any court, and shall require similar abstention on the part of [his] their staff. This rule does not prohibit magisterial district judges from making public statements in the course of their official duties or from explaining for public information the procedures of the court.

* * * * *

Rule 7. Broadcasting, Televising, Recording, Photography.

[A magisterial district judge] Magisterial district judges shall prohibit broadcasting, televising, recording or taking photographs in the courtroom and areas immediately adjacent thereto during sessions or recesses between sessions, except that [a magisterial district judge] magisterial district judges may authorize:

* * * * *

Rule 8. Disqualification.

A. [A magisterial district judge] Magisterial district judges shall disqualify [himself] themselves in a proceeding in which [his] their impartiality might reasonably be questioned, including but not limited to instances where:

(1) [he has] they have a personal bias or prejudice concerning a party, or personal knowledge of disputed evidentiary facts concerning the proceeding;

(2) [he] they served as a lawyer in the matter in controversy, or a lawyer with whom [he] they previously practiced law served during such association as a lawyer concerning the matter, or the magisterial district judge or such lawyer has been a material witness concerning it;

(3) [he knows that he] they know that they, individually or as a fiduciary, or [his] their spouse or a minor child residing in [his] their household has a financial interest in the subject matter in controversy or is a party to the proceeding or any other interest that could be substantially affected by the outcome of the proceeding;

(4) [he or his] they or their spouse, or a person within the third degree of relationship to either of them, or the spouse of such a person:

* * * * *

B. [A magisterial district judge] Magisterial district judges shall inform [himself about his] themselves about their personal and fiduciary financial interests and make a reasonable effort to inform [himself] themselves about the personal financial interests of [his] their spouse and minor children residing in [his] their household.

Official Note: This rule is derived from Canon 3C, American Bar Association Code of Judicial Conduct. For the purpose of this rule, "fiduciary" includes such relationships as executor, administrator, trustee and guardian, and "financial interest" means ownership of a legal or equitable interest, however small, or a relationship as director, advisor or other active participant in the affairs of a party, except that: (1) ownership in mutual or common investment fund that holds securities is not a "financial interest" in such securities unless the magisterial district judge participates in the management of the fund; (2) an office in an educational, religious, charitable, fraternal or civic organization is not a "financial interest" in securities held by the organization; (3) the proprietary interest of a policy holder in a mutual insurance company, of a depositor in a mutual savings association or a similar proprietary interest is a "financial interest" in the organization only if the outcome of the proceeding could substantially affect the value of the interest; and (4) ownership of government securities is a "financial interest" in the issuer only if the outcome of the proceeding could substantially affect the value of the securities. "Degree of relationship" is calculated according to the civil law system. Thus, the third degree of relationship test would, for example, disqualify the magisterial district judge if [his or his spouse's father, grandfather, uncle, brother or niece's husband] they or their spouse's parents, grandparents, uncles or aunts, siblings, or nieces or nephews or their spouses were a party or a lawyer in the proceeding, but would not disqualify [him] them if a cousin were a party or lawyer in the proceeding.

A lawyer in a governmental agency does not necessarily have an association with other lawyers employed by that agency within the meaning of subdivision A(2). [A magisterial district judge] Magisterial district judges

formerly employed by a governmental agency, however, should disqualify [himself] themselves in a proceeding if [his] their impartiality might reasonably be questioned because of such association.

The fact that a lawyer in a proceeding is affiliated with a law firm with which a lawyer-relative of the magisterial district judge is affiliated does not of itself disqualify the magisterial district judge. Under appropriate circumstances, the fact that “[his] their impartiality might reasonably be questioned” under subdivision A, or that the lawyer-relative is known by the magisterial district judge to have an interest in the law firm that could be “substantially affected by the outcome of the proceeding” under subdivision A(4)(c) may require [his] their disqualification.

Rule 9. Remittal of Disqualification; Minimizing Disqualification.

A. [A magisterial district judge] Magisterial district judges disqualified by Rule 8A(3) or (4) may, instead of withdrawing from the proceeding, disclose the basis of [his] their disqualification. If, based on such disclosure, the parties and lawyers independently of the participation of the magisterial district [judge] judges all agree in writing that the relationship of the magisterial district [judge] judges is immaterial or that [his] their financial interest is insubstantial, the magisterial district [judge is] judges are no longer disqualified and may participate in the proceeding. The agreement signed by all parties and lawyers, shall be attached to the record copy of the complaint form.

B. [A magisterial district judge] Magisterial district judges shall manage [his] their investments and other financial interests to minimize the number of cases in which [he is] they are disqualified. As soon as [he] they can do so without serious financial detriment, [he] they shall divest [himself] themselves of investments and other financial interests that might require frequent disqualification.

Official Note: Subdivision A is derived from Canon 3D, American Bar Association Code of Judicial Conduct. The procedure in this subdivision is designed to minimize the chance that a party or lawyer will feel coerced into an agreement. When a party is not immediately available, the magisterial district [judge] judges may proceed on the written assurance of the [lawyer that his party’s] lawyers that their parties’ consent will be subsequently filed.

* * * * *

Rule 10. Information Acquired in Judicial Capacity.

Information acquired by [a magisterial district judge in his] magisterial district judges in their judicial capacity shall not be used or disclosed by [him] them in financial dealings or for any other purpose not related to [his] their judicial duties.

* * * * *

Rule 11. Solicitation of Funds.

[A magisterial district judge] Magisterial district judges shall not solicit funds for any educational, religious, charitable, fraternal or civic organization, or use or permit the use of the prestige of [his] their office for that purpose, but [he] they may be listed as an officer,

director or trustee of such an organization. [He] They shall not be a speaker or the guest of honor at such an organization’s public fund raising events, but [he] they may attend such events.

* * * * *

Rule 12. Gifts and Loans.

A. [A magisterial district judge] Magisterial district judges may accept a gift incident to a public testimonial to [him] them and books supplied by publishers on a complimentary basis for public use. [A magisterial district judge] Magisterial district judges or a member of [his] their family residing in [his] their household may accept ordinary social hospitality; a gift, bequest, favor or loan from a relative; a wedding or engagement gift; a loan from a lending institution in its regular course of business on the same terms generally available to persons who are not magisterial district judges; or a scholarship or fellowship awarded on the same terms applied to other applicants.

B. [A magisterial district judge] Magisterial district judges or a member of [his] their family residing in [his] their household may accept any other gift, bequest, favor or loan only if the donor is not a party or other person whose interests have come or are likely to come before the magisterial district judge.

Official Note: This rule is derived from Canon [50(4)] 5C(4), American Bar Association Code of Judicial Conduct. For the purpose of this rule, “member of [his] their family residing in [his] their household” means any relative of the magisterial district [judge] judges by blood or marriage, or a person treated by the magisterial district [judge] judges as a member of [his] their family, who resides in [his] their household.

Rule 13. Incompatible Practices.

Magisterial district judges and all employees assigned to or appointed by magisterial district judges shall not engage, directly or indirectly, in any activity or act incompatible with the expeditious, proper and impartial discharge of their duties, including, but not limited to, (1) in any activity prohibited by law; (2) in the collection business; or (3) in the acceptance of any premium or fee for any judicial bond. [A magisterial district judge] Magisterial district judges shall not exploit [his or her] their judicial position for financial gain or for any business or professional advantage. [A magisterial district judge] Magisterial district judges shall not receive any fee or emolument for performing the duties of an arbitrator.

* * * * *

Rule 14. Prohibited Practice of Attorney Magisterial District [Judge] Judges.

A. [An attorney who is a magisterial district judge] Attorneys who are magisterial district judges shall not practice before any magisterial district judge in the Commonwealth, nor shall [he] they act as a lawyer in a proceeding in which [he has] they have served as a magisterial district judge or in any other proceeding related thereto. Nor shall [he] they practice criminal law in the county within which [his] their magisterial district is located. An employer, employee,

partner of office associate of such magisterial district **[judge] judges** shall not appear or practice before **[him] them**.

B. **[An attorney who is a magisterial district judge] Attorneys who are magisterial district judges** shall not practice before, or act as an attorney or solicitor for, any county or local municipal, governmental or quasi governmental agency, board, authority or commission operating within the Commonwealth.

* * * * *

Rule 15. Public Office and Political Activity.

A. **[A magisterial district judge] Magisterial district judges** shall not hold another office or position of profit in the government of the United States, the Commonwealth or any political subdivision thereof, except in the armed services of the United States or the Commonwealth.

B. **[A magisterial district judge] Magisterial district judges** or a candidate for such office shall not:

(1) hold office in a political party or political organization or publicly endorse candidates for political office.

(2) engage in partisan political activity, deliver political speeches, make or solicit political contributions (including purchasing tickets for political party dinners or other functions) or attend political or party conventions or gatherings, except as authorized in subdivision C of this rule. Nothing herein shall prevent **[a magisterial district judge or a candidate for such office] magisterial district judges or candidates for such offices** from making political contributions to a campaign of a member of **[his] their** immediate family.

C. **[A magisterial district judge or a candidate for such office] Magisterial district judges or candidates for such offices** may in the year **[he runs] they run** for office, attend political or party conventions or gatherings, speak to such gatherings or conventions on **[his] their** own behalf, identify **[himself] themselves** as **[a member] members** of a political party, and contribute to **[his] their** own campaign, a political party or political organization (including purchasing tickets for political party dinners or other functions).

D. With respect to **[his] their** campaign conduct, **[a magisterial district judge or a candidate] magisterial district judges or candidates** for such office shall:

(1) maintain the dignity appropriate to judicial office, and shall encourage members of **[his] their** family to adhere to the same standards of political conduct that apply to **[him] them**.

(2) prohibit public officials or employees subject to **[his] their** direction or control from doing for **[him what he is] them what they are** prohibited from doing under this rule; and except to the extent authorized under subdivision D(4) of this rule shall not allow any other person to do for **[him what he is] them what they are** prohibited from doing under this rule.

(3) not make pledges or promises of conduct in office other than the faithful and impartial performance of the duties of the office; make statements that commit or appear to commit the candidate with respect to cases, controversies or issues that are likely to come before the

court; or misrepresent **[his] their** identity, qualifications, present position, or other fact.

Commentary. The United States Supreme Court in *Republican Party of Minnesota v. White*, 122 S. Ct. 2528 (2002) concluded that a canon of judicial conduct prohibiting judicial candidates from “announcing their views on disputed legal or political issues” is violative of the First Amendment of the United States Constitution.

(4) not **[himself] themselves** solicit or accept campaign funds, or solicit publicly stated support, but **[he] they** may establish committees of responsible persons to secure and manage the expenditure of funds for **[his] their** campaign and to obtain public statements of support for **[his] their** candidacy. Such committees are not prohibited from soliciting campaign contributions and public support from lawyers. **[A candidate’s] Candidates’** committees may solicit funds for **[his] their** campaign no earlier than thirty (30) days prior to the first day for filing nominating petitions, and all fundraising activities in connection with such campaign shall terminate no later than the last calendar day of the year in which the election is held. **[A candidate] Candidates** should not use or permit the use of a campaign contribution for the private benefit of **[himself] themselves** or members of **[his] their** family.

E. **[A magisterial district judge] Magisterial district judges** shall resign **[his] their** office when **[he becomes a candidate] they become candidates** either in a party primary or in a general election for a non-judicial office.

Official Note: This rule is derived from former Rule 15 and from Canon 7 of the American Bar Association and Pennsylvania Supreme Court Code of Judicial Conduct. **[this] This** rule prohibits only political activity that is partisan in nature and consequently there is no objection to **[a magisterial district judge] magisterial district judges** becoming engaged in political activity of a public service nature, such as, for example, political activity in behalf of measures to improve the law, the legal system or the administration of justice.

Rule 16. Transfer of Dockets and Other Papers.

A. Except for judges of **[the Pittsburgh Magistrates Court and of the traffic courts of Pittsburgh and Philadelphia, every] Philadelphia Traffic Court,** magisterial district **[judge] judges** shall on the expiration of **[his] their** term of office, or upon the effective date of **[his] their** resignation or removal from office or upon **[his] their** abandonment of **[his] their** office or its duties deliver all **[his] their** dockets and other official or like papers to the magisterial office established for the magisterial district in which the former or inactive magisterial district **[judge] judges** maintained **[his] their** residence.

RULES AND REGULATIONS

Title 22—EDUCATION

STATE BOARD OF EDUCATION
[22 PA. CODE CHS. 7 AND 12]

Students and Student Services

The State Board of Education has submitted a revised version of the regulatory review language for a rule-making which appeared at 35 Pa.B. 6510, 6515 (December 3, 2005). The correct version is as follows:

Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), on August 30, 2003, the Board submitted a copy of this proposed rulemaking (published at 33 Pa.B. 5735) for review and comment by IRRC and the House and Senate Committees on Education.

In compliance with section 5(c) of the Regulatory Review Act, the Board also provided IRRC and the Committees with copies of the comments received, as well as other documentation. In preparing the final-form rule-making, the Board considered the comments received from IRRC, the Committees and the public.

In accordance with section 5.1(a) of the Regulatory Review Act (71 P. S. § 745a(a)), the Board submitted the final-form rulemaking to IRRC and the Committees for review as provided by section 5.1 of the Regulatory Review Act.

In accordance with section 5.1 of the Regulatory Review Act, these final-form regulations were deemed approved by the Senate Education Committee on October 4, 2005, disapproved by the House Education Committee on September 28, 2005, and approved by IRRC on October 6, 2005. The House Education Committee did not, within 14 days after the date of IRRC's order of approval, take action on the regulation under sections 5.1(j.2) and 7(d) of the Regulatory Review Act (71 P. S. §§ 745.5a(j.2) and 745.7(d)).

Title 49—PROFESSIONAL AND VOCATIONAL STANDARDS

STATE BOARD OF NURSING
[49 PA. CODE CH. 21]

Prescriptive Authority Fees

The State Board of Nursing (Board) amends § 21.253 (relating to fees) by establishing certain application and renewal fees for certified registered nurse practitioners (CRNPs) who wish to prescribe and dispense drugs to read as set forth in Annex A.

Statutory Authority

The final-form rulemaking is authorized under section 11.2(a) and (d) of the Professional Nursing Law (act) (63 P. S. § 221.2(a) and (d)).

Background and Purpose

Under final-form rulemaking jointly promulgated by the State Boards of Medicine and Nursing published at 30 Pa.B. 5943 (November 18, 2000) and continued under the amendment of section 2.1 of the act (63 P. S. § 212.1) by the act of December 9, 2002 (P. L. 1567, No. 206), qualified CRNPs may prescribe and dispense drugs under section 8.3 of the Professional Nursing Law (63 P. S. § 218.3) and §§ 21.283—21.287 (relating to CRNP practice). CRNPs wishing to prescribe drugs are required to apply for prescriptive authority approval by submitting an application to the Board demonstrating successful completion of not less than 45 hours of coursework in advanced pharmacology and a signed, written collaborative agreement between the prescribing CRNP and a supervising physician. See §§ 21.283(2) and 21.285 (relating to prescribing and dispensing drugs; and collaborative agreement). Successful applicants are issued prescriptive authority approval.

Section 11.2(a) and (d) of the act requires the Board to set fees by regulation so that revenues meet or exceed expenditures over a biennial period. General operating expenses of the Board are funded through biennial license renewal fees. Expenses related to applications or services which are provided directly to individual licensees or applicants are excluded from general operating revenues and are funded through fees in which the actual cost of providing the service forms the basis for the fee.

By this final-form rulemaking, the Board amends § 21.253 to add the follow fees for CRNPs: (1) a \$50 fee to accompany the application for prescriptive authority; (2) a \$ 30 fee for approval of each additional collaborative agreement; and (3) a \$25 biennial renewal fee. As more fully explained in the response to notice of proposed rulemaking, this final-form rulemaking substantially reduces the fees as proposed.

Summary of Comments and Responses to Proposed Rule-making

Notice of proposed rulemaking was published at 33 Pa.B. 4462 (September 6, 2003). Publication was followed by a 30-day public comment period during which the Board received comments from seven public commentators. On October 1, 2003, the House Professional Licensure Committee (HPLC) and on November 5, 2003, the Independent Regulatory Review Commission (IRRC) sent comments and suggestions to the Board. The Senate Consumer Protection and Professional Licensure Committee (SCP/PLC) did not comment. Responses to these comments are organized by subject as follows:

Rationale and statutory authority for retroactive collection of fees

IRRC questioned the authority of the Board to require a CRNP who has been granted approval to prescribe to pay the initial application fee upon promulgation of the regulation. IRRC expressed the view that this construction would constitute a constitutionally impermissible retroactive application of the regulation. IRRC also suggested that to so apply the regulation would require express statutory authority. The Board's intent to apply the fees retroactively was explained to the regulated community on each of the at least 3,200 applications for prescriptive authority completed since November 2000. In consideration of IRRC's objections and comment, the Board has reviewed its fee structure and determined that all fees imposed by this final-form rulemaking will become effective upon publication in the *Pennsylvania Bulletin*.

Costs to CRNPs

As described in the preamble to the proposed rulemaking, fees for application and additional collaborative agreements were based upon calculation of actual costs to process applications and approvals. The biennial renewal fee was estimated to ensure that required enforcement efforts were met.

Public comments from the Pennsylvania Coalition of Nurse Practitioners (Coalition) and Senator Mary Jo White asserted that the proposed fees are among the highest in the country. Senator White and the Coalition urged the Board to reevaluate its fee schedule and eliminate the fee for additional collaborative agreements.

In response, the Board first notes that since promulgation of the proposed rulemaking, it has instituted a more streamlined process, including a letter application form to reduce the staff time needed to review prescriptive authority applications. The Board has also attempted to achieve economies in reducing the costs associated with approval of additional collaborative agreements. Finally, the Board has adjusted downward the cost estimates of enforcement efforts to reduce the biennial fee as proposed.

With regard to comparative fees of other states, the Board responds as follows. Because application and approval fees established by the proposed rulemaking represent the Board's actual costs in providing the services requested, it is difficult to compare the fees with those of other states. However, a survey of the surrounding states indicates that initial and renewal fees for prescriptive authority approval in West Virginia are both \$125, while Ohio requires an initial application (approval and prescriptive authority) fee of \$100, with biennial renewal of the certificate to prescribe costing \$50. These fees are in addition to certification or licensure fees to become a nurse practitioner. The four other surrounding

states combine nurse practitioner certification/licensure fees with prescriptive authority fees. In Maryland, the initial nurse practitioner certification is \$82 and the annual renewal fee \$67—there is no distinct fee for prescriptive authority. The fee for nurse practitioner certification covers approval of the collaborative agreement needed to prescribe. If the nurse practitioner wishes to prescribe controlled substances, there is a \$60 biennial fee for registration with the Office of Maryland Drug Control. New York has a similar scheme, in which the initial nurse practitioner certification and registration fee are \$80. The triennial certification renewal fee is \$80. If the individual satisfies all requirements for certification as a nurse practitioner, the individual will be authorized to issue prescriptions—there is no distinct fee for prescriptive authority. New Jersey also has no separate prescriptive authority approval fee; however, the nurse practitioner application fee is \$100, initial certification fee is \$100 and biennial renewal of certification costs \$100. A written joint protocol for prescriptive practice with a collaborating physician is needed to apply for controlled dangerous substance registration with the State of New Jersey Drug Control Unit. This registration is available for a fee of \$20 for both the application and annual renewal. Delaware nurse practitioners pay a \$67 fee for advanced practice certification and renew biennially for \$67. Those wishing to prescribe noncontrolled substances complete a separate application, for which there is no fee. Delaware nurse practitioners who wish to prescribe controlled substances must register biennially with the Delaware Office of Narcotics and Dangerous Drugs, for a fee of \$20 for both initial registration and annual renewal. Based on the foregoing data, the regulation should not put this Commonwealth at a competitive disadvantage with other states.

Several individual nurse practitioners expressed concern about the procedure and fee for additional collaborative agreements, while Senator White and the others urged the Board to eliminate the additional collaborative agreement fee. The HPLC noted the Coalition's concerns regarding the fee for additional collaborative agreements. The HPLC requested a detailed explanation as to the rationale for charging a fee for additional collaborative agreements and whether or not the amount of the fee should be reevaluated.

The collaborative agreement is the document that sets forth the limits of an individual CRNP's authority to prescribe drugs. Each collaborative agreement may set forth different limits in terms of the drugs that the CRNP may prescribe and the level of supervision that will be required in order for the CRNP to prescribe. The Board is charged with reviewing collaborative agreements to ensure the agreements are authorized by law and consistent with the scope of practice of a CRNP. The Board cannot fulfill this function unless it reviews additional collaborative agreements. Since publication of proposed rulemaking, the Board has streamlined all of its practices related to its review of prescriptive authority privileges for CRNPs. As a result of this process, the fee adopted in this final-form rulemaking for review of additional collaborative agreements has been decreased from \$75 to \$30. The Board will reevaluate the process and procedures for prescriptive authority, including review of additional collaborative agreements, after it has several years of data available. The Board will reconsider the fee for additional collaborative agreements at that time.

Mandatory use of Board-generated collaborative agreement form

IRRC suggested that the Board should consider adding a provision that all applicants use the Board-generated collaborative agreement form. The Board concurs and made this change as part of its streamlining the application review process. The Board conducted an audit, as previously noted, and has been able to reduce the proposed fees.

Circumstances requiring the filing of additional collaborative agreements

IRRC stated that the proposed regulation was unclear on what circumstances require the filing of additional collaborative agreements for prescriptive authority and that the vagueness of this provision may cause applicants to submit additional collaborative agreements to the Board when they are not necessary and thus pay unnecessary fees. The Board requires the filing of additional collaborative agreements only when there is a change in the primary collaborating physician or a change in the categories/drug schedules from which a CRNP may prescribe. This is clearly stated in the application for prescriptive authority approval and in the application for additional collaborative agreement. In addition, Board staff addresses this with licensees on a case-by-case basis. IRRC suggested that the Board add or amend language in § 21.285 to clearly indicate when an additional collaborative agreement for prescriptive authority must be filed. The Board declines to do so based on the notice given to applicants in the applications for prescriptive authority approval and for additional collaborative agreement and because Board staff addresses this with licensees on a case-by-case basis.

Substitute physicians

A collaborative agreement may have an unlimited number of substitute physicians and these can be easily added or deleted without cost to the CRNP. IRRC further suggested that the Board amend language in § 21.285(b)(1) to clearly reflect the Board's procedures for making amendments to collaborative agreements regarding substitute physicians. The Board declines to make this change, as notice of the Board's administrative procedures in this regard is provided to the nurse practitioners in the applications for prescriptive authority approval and for additional collaborative agreement, and Board staff addresses this with licensees on a case-by-case basis.

Change in primary supervising physician only

When the CRNP is changing only the primary collaborating physician, IRRC suggested that the Board consider reasonable filing alternatives to reduce the financial burden on the regulated community. This is based on the presumption that less information will need to be reviewed with this submission. The Board declines to adopt this suggestion at the present time. A change in the collaborating physician could indicate a radically different scope of the collaboration. The Board cannot make this determination without reviewing the terms of the collaborative agreement. The Board will, however, closely monitor the processes related to prescriptive authority to determine if the prescriptive authority process can be streamlined and if the Board may lower the fee for prescriptive authority approval.

Fiscal Impact and Paperwork Requirements

The final-form rulemaking will have no adverse fiscal impact on the Commonwealth or its political subdivisions.

The fees will have a modest fiscal impact on those members of the private sector who apply for services from the Board. The final-form rulemaking will impose no additional paperwork requirements upon the Commonwealth or political subdivisions. The application process, which is statutorily mandated, will impose modest paperwork requirements on those members of the private sector who apply for and renew prescriptive authority approval.

Regulatory Review

Under section 5(a) of the Regulatory Review Act (71 P. S. § 745.5(a)), on February 14, 2004, the Board submitted a copy of the notice of proposed rulemaking, published at 33 Pa.B. 4462, to IRRC and the Chairpersons of the HPLC and the SCP/PLC for review and comment.

Under section 5(c) of the Regulatory Review Act, IRRC, the HPLC and the SCP/PLC and the Committees were provided with copies of the comments received during the public comment period, as well as other documents when requested. In preparing the final-form rulemaking, the Department has considered all comments from IRRC, the HPLC, the SCP/PLC and the public.

Under section 5.1(j.2) of the Regulatory Review Act (71 P. S. § 745.5a(j.2)), on October 18, 2005, the final-form rulemaking was approved by the HPLC. On November 2, 2005, the final-form rulemaking was deemed approved by the SCP/PLC. Under section 5.1(e) of the Regulatory Review Act, IRRC met on November 3, 2005, and approved the final-form rulemaking.

STATEMENTS OF POLICY

Title 55—PUBLIC WELFARE

DEPARTMENT OF PUBLIC WELFARE

[55 PA. CODE CHS. 3270, 3280 AND 3290]

Syrup of Ipecac

Scope

This statement of policy applies to child day care centers, group child day care homes and family child day care homes.

Purpose

The purpose of this statement of policy is to clarify the Department of Public Welfare's (Department) regulations for child care facilities regarding Syrup of Ipecac in §§ 3270.75(c), 3280.75(c) and 3290.73(c) (relating to first-aid kit). Based on the recommendations of the American Academy of Pediatrics (AAP), the Department will not enforce the requirement for Syrup of Ipecac in a first-aid kit.

Discussion

Syrup of Ipecac is a substance that induces vomiting when consumed. If a child has consumed a poisonous substance, taking Syrup of Ipecac causes vomiting that can often remove some of the poisonous substance from the child's body.

The Department's regulations requiring Syrup of Ipecac in a first-aid kit at a child care facility were promulgated in 1992. At that time, health care organizations, including the AAP, recommended that parents and caregivers in child care facilities keep a 1-ounce bottle of Syrup of Ipecac available in case a poisoning emergency occurred. Based on new scientific evidence, the AAP has changed its recommendation regarding Syrup of Ipecac.

In November 2003, the AAP issued new recommendations on poison treatment in the home. The AAP now recommends that parents and caregivers should not keep Syrup of Ipecac in their homes or child care facilities. According to the AAP's Committee on Injury, Violence, and Poison Prevention, there has never been any scientific evidence that administering Syrup of Ipecac to induce vomiting reduces death rates from poisoning. Studies of children who had ingested a potentially toxic amount of a drug and then took ipecac showed that on average, only 28% of the poison was eliminated from their bodies after vomiting.

Activated charcoal has replaced Syrup of Ipecac as the preferred treatment for poisoning in hospital emergency departments. Activated charcoal binds to the poison in a person's stomach and prevents the poison from entering the bloodstream. Using Syrup of Ipecac first may actually reduce the effectiveness of activated charcoal treatments, another reason cited by the AAP for the change in policy.

The AAP also stated that Syrup of Ipecac may be misused by people with eating disorders, such as anorexia nervosa and bulimia nervosa, who want to induce vomiting in an attempt to lose weight or purge stomach contents. In very rare cases, the substance may be abused by adults with a mental disorder called Munchausen syndrome by proxy, in which they purposely make a child ill to gain attention for themselves.

Based on the AAP recommendations, the Department will not enforce the requirement that a first-aid kit in a child care facility must include Syrup of Ipecac.

Effective Date

This statement of policy is effective immediately upon publication in the *Pennsylvania Bulletin*.

NOTICES

DEPARTMENT OF AGRICULTURE

Revocation of Pine Shoot Beetle Interior Quarantine

Recitals

1. The Plant Pest Act (act) (3 P. S. §§ 258.1—258.27), empowers the Department of Agriculture (Department) to take various measures to detect, contain and eradicate plant pests in this Commonwealth.

2. The powers granted the Department under section 21 of the act (3 P. S. § 258.21) include the power to establish quarantines to prevent the dissemination of plant pests within this Commonwealth.

3. Pine Shoot Beetle (PSB) is a serious nonnative plant pest that injures and damages pine trees, posing a potential serious threat to the economic well-being of the Christmas tree and tree nursery industry within this Commonwealth. Furthermore, the United States Department of Agriculture (USDA) requires that affected states maintain current, parallel state quarantines in order for USDA to be able to enforce the Federal Pine Shoot Beetle quarantine with respect to affected areas of the State, rather than against the entire State.

4. The Department has exercised its authority under the act and issued an Order of Quarantine affecting Allegheny, Armstrong, Beaver, Bedford, Blair, Bradford, Butler, Cambria, Cameron, Clarion, Clearfield, Crawford, Elk, Erie, Fayette, Forest, Greene, Huntingdon, Indiana, Jefferson, Lawrence, McKean, Mercer, Potter, Somerset, Tioga, Venango, Warren, Washington and Westmoreland Counties to prevent the spread of PSB.

5. Since recent official surveys have also detected PSB in Berks, Chester, Centre, Cumberland, Fulton, Juniata, Lycoming, Monroe, Northumberland, Perry, Snyder, Susquehanna, Sullivan, Union, Wayne and Wyoming Counties and it is apparent that the quarantine has not contained PSB, the Department is satisfied it is appropriate

to rescind the Order of Quarantine applicable to Allegheny, Armstrong, Beaver, Bedford, Blair, Bradford, Butler, Cambria, Cameron, Clarion, Clearfield, Crawford, Elk, Erie, Fayette, Forest, Greene, Huntingdon, Indiana, Jefferson, Lawrence, McKean, Mercer, Potter, Somerset, Tioga, Venango, Warren, Washington and Westmoreland Counties.

Order

Under authority of section 21 of the act, the Department hereby enters the following order:

The Order of Quarantine dated July 6, 2001, and published at 31 Pa.B. 3558 (July 7, 2001) that pertains to Allegheny, Armstrong, Beaver, Bedford, Blair, Bradford, Butler, Cambria, Cameron, Clarion, Clearfield, Crawford, Elk, Erie, Fayette, Forest, Greene, Huntingdon, Indiana, Jefferson, Lawrence, McKean, Mercer, Potter, Somerset, Tioga, Venango, Warren, Washington and Westmoreland Counties is hereby rescinded. This Order had imposed a quarantine on the PSB in any living stage of development and the following pine (*Pinus* spp.) products: bark nuggets (including bark chips), Christmas trees, logs or lumber with bark attached, nursery stock, any cut, fresh, untreated, unassembled pine materials that have not been manufactured into wreaths or garlands, stumps and any article, product or means of conveyance that presents a risk of spread of the pine shoot beetle and with respect to which an inspector has notified the person in possession that the article is subject to quarantine. The quarantine required that regulated articles not be moved from or through the quarantine area unless either accompanied by a valid certificate or limited permit issued in accordance with this order or an applicable provision of this order exempts that article from the certificate or limited permit requirement.

USDA will continue to enforce the provisions of the Federal Pine Shoot Beetle quarantine against the entire Commonwealth.

DENNIS C WOLFF,
Secretary

Section IV	NPDES	MS4 individual permit
Section V	NPDES	MS4 permit waiver
Section VI	NPDES	Individual permit stormwater construction
Section VII	NPDES	NOI for coverage under NPDES general permits

For NPDES renewal applications in Section I, the Department of Environmental Protection (Department) has made a tentative determination to reissue these permits for 5 years subject to effluent limitations and monitoring and reporting requirements in their current permits, with appropriate and necessary updated requirements to reflect new and changed regulations and other requirements.

For applications for new NPDES permits and renewal applications with major changes in Section II, as well as applications for MS4 individual permits and individual stormwater construction permits in Sections IV and VI, the Department, based upon preliminary reviews, has made a tentative determination of proposed effluent limitations and other terms and conditions for the permit applications. These determinations are published as proposed actions for comments prior to taking final actions.

Unless indicated otherwise, the EPA Region III Administrator has waived the right to review or object to proposed NPDES permit actions under the waiver provision in 40 CFR 123.24(d).

Persons wishing to comment on an NPDES application are invited to submit a statement to the regional office noted before an application within 30 days from the date of this public notice. Persons wishing to comment on a WQM permit application are invited to submit a statement to the regional office noted before the application within 15 days from the date of this public notice. Comments received within the respective comment periods will be considered in the final determinations regarding the applications. Comments should include the name, address and telephone number of the writer and a concise statement to inform the Department of the exact basis of a comment and the relevant facts upon which it is based.

The Department will also accept requests for a public hearing on applications. A public hearing may be held if the responsible office considers the public response significant. If a hearing is scheduled, a notice of the hearing will be published in the *Pennsylvania Bulletin* and a newspaper of general circulation within the relevant geographical area. The Department will postpone its final determination until after a public hearing is held.

Persons with a disability who require an auxiliary aid, service, including TDD users, or other accommodations to seek additional information should contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

LAND RECYCLING AND ENVIRONMENTAL REMEDIATION UNDER ACT 2, 1995 PREAMBLE 1

Acknowledgment of Notices of Intent to Remediate Submitted under the Land Recycling and Environmental Remediation Standards Act (35 P. S. §§ 6026.101—6026.908).

Sections 302—305 of the Land Recycling and Environmental Remediation Standards Act (act) require the Department of Environmental Protection (Department) to publish in the *Pennsylvania Bulletin* an acknowledgment noting receipt of Notices of Intent to Remediate. An acknowledgment of the receipt of a Notice of Intent to Remediate is used to identify a site where a person proposes to, or has been required to, respond to a release of a regulated substance at a site. Persons intending to use the Background Standard, Statewide Health Standard, the Site-Specific Standard or who intend to remediate a site as a special industrial area must file a Notice of Intent to Remediate with the Department. A Notice of Intent to Remediate filed with the Department provides a brief description of the location of the site, a list of known or suspected contaminants at the site, the proposed remediation measures for the site and a description of the intended future use of the site. A person who demonstrates attainment of one, a combination of the cleanup standards or who receives approval of a special industrial area remediation identified under the act will be relieved of further liability for the remediation of the site for any contamination identified in reports submitted to and approved by the Department. Furthermore, the person

shall not be subject to citizen suits or other contribution actions brought by responsible persons not participating in the remediation.

Under sections 304(n)(1)(ii) and 305(c)(2) of the act, there is a 30-day public and municipal comment period for sites proposed for remediation using a Site-Specific Standard, in whole or in part, and for sites remediated as a special industrial area. This period begins when a summary of the Notice of Intent to Remediate is published in a newspaper of general circulation in the area of the site. For the sites identified, proposed for remediation to a Site-Specific Standard or as a special industrial area, the municipality within which the site is located may request to be involved in the development of the remediation and reuse plans for the site if the request is made within 30 days of the date specified. During this comment period, the municipality may request that the person identified as the remediator of the site develop and implement a public involvement plan. Requests to be involved and comments should be directed to the remediator of the site.

For further information concerning the content of a Notice of Intent to Remediate, contact the environmental cleanup program manager in the Department regional office before which the notice appears. If information concerning this acknowledgment is required in an alternative form, contact the community relations coordinator at the appropriate regional office. TDD users may telephone the Department through the AT&T Relay Service at (800) 654-5984.

AIR QUALITY
PLAN APPROVAL AND OPERATING PERMIT
APPLICATIONS
NEW SOURCES AND MODIFICATIONS

The Department of Environmental Protection (Department) has developed an "integrated" plan approval, State operating permit and Title V operating permit program. This integrated approach is designed to make the permitting process more efficient for the Department, the regulated community and the public. This approach allows the owner or operator of a facility to complete and submit all the permitting documents relevant to its application one time, affords an opportunity for public input and provides for sequential issuance of the necessary permits.

The Department has received applications for plan approvals and/or operating permits from the following facilities.

Copies of the applications, subsequently prepared draft permits, review summaries and other support materials are available for review in the regional office identified in this notice. Persons interested in reviewing the application files should contact the appropriate regional office to schedule an appointment.

Persons wishing to receive a copy of a proposed plan approval or operating permit must indicate their interest to the Department regional office within 30 days of the date of this notice and must file protests or comments on a proposed plan approval or operating permit within 30 days of the Department providing a copy of the proposed document to that person or within 30 days of its publication in the *Pennsylvania Bulletin*, whichever comes first. Interested persons may also request that a hearing be held concerning the proposed plan approval and operating permit. Comments or protests filed with the Department regional offices must include a concise statement of the objections to the issuance of the Plan approval or operating permit and relevant facts which serve as the basis for the objections. If the Department schedules a hearing, a notice will be published in the *Pennsylvania Bulletin* at least 30 days prior the date of the hearing.

Persons with a disability who wish to comment and require an auxiliary aid, service or other accommodation to participate should contact the regional office identified before the application. TDD users should contact the Department through the Pennsylvania AT&T Relay Service at (800) 654-5984.

Final plan approvals and operating permits will contain terms and conditions to ensure that the source is constructed and operating in compliance with applicable requirements in 25 Pa. Code Chapters 121-143, the Federal Clean Air Act (act) and regulations adopted under the act.

NPDES permits will contain, at a minimum, technology-based effluent limitations as identified in this notice for the respective coal and noncoal applications. In addition, more restrictive effluent limitations, restrictions on discharge volume or restrictions on the extent of mining which may occur will be incorporated into a mining activity permit, when necessary, for compliance with water quality standards (in accordance with 25 Pa. Code Chapters 93 and 95). Persons or agencies who have requested review of NPDES permit requirements for a particular mining activity within the previously mentioned public comment period will be provided with a 30-day period to review and submit comments on the requirements.

Written comments or objections should contain the name, address and telephone number of the person submitting comments or objections; the application number; and a statement of sufficient detail to inform the Department on the basis of comment or objection and relevant facts upon which it is based. Requests for an informal conference must contain the name, address and telephone number of requestor; the application number; a brief summary of the issues to be raised by the requestor at the conference; and a statement whether the requestor wishes to have the conference conducted in the locality of the proposed mining activities.

E14-440A. Department of Transportation, 1924-30 Daisy Street, Clearfield, PA 16830. US Route 220, Section G10 Stream Mitigation in Huston and Worth Townships, Patton and Benner Townships, **Centre County**, ACOE Baltimore District (Port Matilda, PA Quadrangle N: 15.58 inches; W: 2.22 inches) and (Port Matilda, PA Quadrangle N: 19.75 inches; W: 0.37 inch), respectively.

The Department of Transportation (DOT) is required to provide a minimum of 20,916 feet of stream mitigation as a result of the US Route 220 Improvements Project, of which 3,533 feet of stream mitigation still needs to be provided. The DOT proposes to amend Permit E14-440 to authorize them to construct and maintain (for 5 years) 4,054 feet of stream mitigation between projects in Ardery Hollow Run and Buffalo Run, which would provide a total of 21,437 feet of stream mitigation as a result of the US Route 220 Improvements Project.

The goals of the stream mitigation along Ardery Hollow Run include the following: 1) reconnect the stream channel with the adjacent floodplain; 2) stabilize areas of accelerated bank erosion/lateral migration; 3) replace the timber railroad tie wall with an imbricated stone ban; 4) provide a stone channel crossing upstream of ardery hollow road bridge for livestock use; 5) realign the stream channel and improve the flow approach through the ardery hollow road bridge using vane structures; 6) modify the planform geometry at tortuous meander bends to provide a stable radius of curvature and incorporate bioengineered bank stabilization measures; 7) construct livestock fencing along the left bank of the lower reach; 8) increase the density of woody vegetation within the riparian zone; and 9) establish a permanent conservation easement along the riparian zone.

The goals of the stream mitigation along Buffalo Run include the following: 1) establish a permanent conserva-

tion easement along the riparian zone; 2) increase the density of woody vegetation within the riparian zone; 3) stabilize areas of accelerated bank erosion; and 4) realign stream channel to prevent further erosion and damage to the SR 550 roadway embankment.

A total of 4,054 feet would be impacted by this project between work in Ardery Hollow Run, which is classified as a CWF, and Buffalo Run, which is classified as a HQ-CWF and a Class A Wild Trout Water for wild brown trout. No work is proposed in any wetlands as part of this amendment. A different permit applicant may apply for a permit to replace a residential footbridge and undersized pipe culvert with a precast concrete box culvert containing the appropriate hydraulic opening, within the same reach of Ardery Hollow at this proposed amendment site as an integral, but separately permitted encroachment.

Except as set forth as follows, these local codes are being cross walked to either existing National codes or new National procedure codes that are being added to the MA Program Fee Schedule.

Local procedure code Z9800 is being end-dated and not cross walked to a National procedure code. Pharmacy providers can bill for this item from the Drug Reference File.

Local procedure code Y9661 is being cross walked to National procedure code E0935. National procedure code E0935 can only be used for the rental of the passive motion exercise device. Therefore, effective with dates of service December 12, 2005, the Department will only allow for the rental, not the purchase, of this durable medical equipment item.

Local procedure code W0202 is being cross walked to National procedure code E0445. The local procedure code only allowed for the rental of the pulse oximeter. With advances in medical technology, the purchase price for a pulse oximeter has decreased over the years since the local procedure code was added to the MA Program Fee Schedule, making it more cost effective for the Department to pay for the purchase of a pulse oximeter rather than paying for continuous rental. For this reason, the Department is adding a purchase fee for E0445 to the MA Program Fee Schedule and reducing the fee for rental.

Effective with dates of service December 12, 2005, the Department is adding the following new National procedure codes and modifiers to the MA Program Fee Schedule.

Medical Assistance Bulletins will be issued to providers of durable medical equipment, medical supplies, vision supplies and hearing supplies that include a cross walk of all the local procedure codes that are being end-dated, the National procedure codes and modifiers, as applicable, that are replacing them and any specific prior authorization requirements.

Prior Authorization Requirements

As set forth as follows, the following National procedure codes require prior authorization for dates of service on or after December 12, 2005. In some instances, and as noted as follows, these prior authorization requirements are for items, services or procedures that did not previously require prior authorization.

In some instances durable medical equipment, medical supplies, vision supplies and hearing supplies did not previously require prior authorization. Section 443.6(a) of the Public Welfare Code (code) (62 P. S. § 443.6(a)), regarding reimbursement for certain medical assistance items and services, sets forth that in order to receive payment for items or services in subsection (b), the

provider must secure authorization prior to actually providing the items or services. As noted as follows, effective for dates of service on or after December 12, 2005, the National procedure code requires prior authorization.

The following National procedure codes are for prostheses and orthoses and are therefore subject to prior authorization under section 443.6(b)(1) of the code as amended by the act of July 7, 2005 (P. L. 177 No. 42):

L0100 Cranial orthosis (helmet), with or without soft interface, molded to patient model.

Note: This National procedure code did not previously require prior authorization.

L0110 Cranial orthosis (helmet), with or without soft-interface, nonmolded.

Medical Assistance Program Fee Schedule Procedure Code Changes for Family Planning Clinic Services

The Department of Public Welfare (Department) announces several changes to the Medical Assistance (MA) Program Fee Schedule for family planning clinic services.

Fee Schedule Revisions

Effective with dates of service on or after November 1, 2005, local procedure codes W1851, W6003, W9181, W9182, W9183, W9184, W9185, X5746, X5831, Z4561, Z9983, Z9984, Z9985, Z9997 and Z9999 are being end-dated. Except as set forth as follows, these local procedure codes are being replaced with National procedure codes.

MA enrolled Medical Directors with fee assignments to family planning clinics may bill from the Drug Reference File using the 10-digit National Drug Codes for drugs or supplies associated with the following end-dated local procedure codes: W1851, X5831 Z4561, Z9994, Z9985, Z9997 and Z9999.

Local procedure code W9181 defined as "Family Planning Clinic Visit, Comprehensive Visit" is being unbundled. Under the local procedure code, all services performed during the visit including hemoglobin and pregnancy laboratory testing, papanicolaou smear, urine dipstick and contraceptive dispensing were included in the payment. The National procedure code provides payment for the visit and not any additional services, drugs or supplies provided during the visit. The fee for the National procedure code is \$20 per visit.

Local procedure code W9182 defined as "Family Planning Clinic Visit, Problem Visit" is being unbundled. Under the local procedure code, all services performed during the visit including contraceptive dispensing were included in the payment. The National procedure code provides payment for the visit and not any additional services, drugs or supplies provided during the visit. The fee for the National procedure code is \$20.

Local procedure code W9184 defined as "Family Planning Clinic Visit, Routine Revisit" is being unbundled. Under the local procedure code, all services performed during the visit including pregnancy laboratory testing, papanicolaou smear, urine dipstick and contraceptive dispensing were included in the payment. Local procedure code X5831 defined as "Implantation of Contraceptives, Including Device (for example, Norplant)" is being unbundled. Family planning clinics will bill the cross walked National procedure code at the MA Fee

Schedule fee of \$100 rather than the \$500 fee associated with the local procedure code. The National procedure code only includes payment for the surgical procedure to implant the contraceptive device.

Local procedure code W9185 defined as "Women's Medical Service—Title XX" should not be on the MA Program Fee Schedule as it is not a Title XIX service. Local procedure code X9185 is being end-dated and not cross walked to a National procedure code.

Local procedure code Z9983 defined as "Progestasert Intrauterine Device (IUD)" is being end-dated and not cross walked to a National procedure code as the Progestasert IUD is no longer manufactured.

The Department consulted with the Family Planning Councils prior to making these changes.

A Medical Assistance Bulletin will be issued to family planning clinics setting forth the local procedure codes that are being end-dated and, if applicable, the National procedure codes that are replacing them.

Services rendered on or before October 31, 2005, must be billed using the local procedure code. Services rendered on or after November 1, 2005, must be billed using the National procedure code or billed from the Drug Reference File.

Fiscal Impact

Payments to Nursing Facilities; Proposed Rates for State Fiscal Year 2005-2006

The Department of Public Welfare (Department) intends to make changes in the payment rates for Medical Assistance (MA) nursing facility providers for State Fiscal Year 2005-2006 (FY 05-06).

Under the Department's case-mix payment methodology, the Department establishes a new case-mix per diem payment rate for each MA nursing facility provider once for each fiscal year. Each provider's annual case-mix per diem rate is comprised of four cost components: resident care; other resident related; administrative; and capital. For each quarter of the fiscal year, the Department adjusts the resident care cost component of each provider's rate by multiplying the resident care cost component by the provider's MA Case Mix Index for the appropriate picture date as follows: July 1 rate—February 1 picture date; October 1 rate—May 1 picture date; January 1 rate—August 1 picture date; and April 1 rate—November 1 picture date. See 55 Pa. Code § 1187.96 (relating to price and rate setting computations). The Department pays the provider for nursing facility services provided to MA recipients during that quarter using the provider's adjusted quarterly per diem rate.

The Department has calculated new annual case-mix per diem payment rates for FY 05-06 for MA nursing facility providers. The methodology that the Department used to set the proposed rates is contained in 55 Pa. Code Chapter 1187, Subchapter G (relating to rate setting), as amended at 35 Pa.B. 6232 (November 12, 2005).

The proposed FY 05-06 annual per diem rates are available on the Office of Medical Assistance Programs' (OMAP) website at www.dpw.state.pa.us/omap. The proposed FY 05-06 annual per diem rates are also available at local county assistance offices throughout this Commonwealth or by contacting Tom Jayson, Policy Unit, Bureau of Long Term Care Programs, (717) 705-3705.

The Department has also calculated the adjusted quarterly rate for the October 2005 quarter for each MA nursing facility provider. The adjusted quarterly rates are also available on OMAP's website, at local county assistance offices and from Tom Jayson.

The database that the Department used to calculate the rates is available on the OMAP's website. Since some of the audited cost reports in the database relate to fiscal periods beginning prior to January 1, 2001, the Department revised the audited costs in the database as specified in 55 Pa. Code § 1187.91(1)(iv)(D) (relating to database) to disregard certain audit adjustments disallowing minor movable property or linen costs. The criteria that the Department used to make these revisions are available on the OMAP's website or by contacting Tom Jayson.

Fiscal Impact

The change in payment rates, effective July 1, 2005, and the quarterly case-mix adjustments are estimated to cost the Department \$34.061 million (\$15.413 million in State funds) in FY 05-06.

Public Comment

Interested persons are invited to submit written comments regarding the proposed FY 05-06 rates to the Department of Public Welfare, Bureau of Long Term Care Programs, Attention: Gail Weidman, P. O. Box 2675, Harrisburg, PA 17105. Comments received within 30 days

will be reviewed and considered for any subsequent revision of the notice.

Rates of Tax on Aviation Gasoline and Jet Fuel for 2006; Oil Company Franchise Tax Rate for 2006; Alternative Fuels Tax Rates for 2006

Aviation Gasoline and Jet Fuels

Under 74 Pa.C.S. § 6121(b) (relating to tax on aviation fuels), the Secretary of Revenue (Secretary) announces that for calendar year 2006 the rate of tax on aviation gasoline and all other liquid fuels used or sold and delivered by distributors within this Commonwealth for use as fuel in propeller-driven piston engine aircraft or aircraft engines changes from the current rate of 4.7¢ to 5.3¢¹ per gallon or fractional part thereof.

Under 74 Pa.C.S. § 6131(b) (relating to tax on jet fuels), the Secretary announces that for calendar year 2006 the rate of tax on jet fuels used or sold and delivered by distributors within this Commonwealth for use as fuel in turbine-propeller jet, turbojet and jet-driven aircraft and aircraft engines remains at the current rate of 2.0¢ per gallon or fractional part thereof.

The rate of tax on aviation gasoline is adjusted annually beginning on January 1, 1985, and each January 1 thereafter. The rate of tax on jet fuels is adjusted annually beginning on January 1, 1986, and each January 1 thereafter. Under 74 Pa.C.S. §§ 6121(b) and 6131(b) the rate of each tax increases or decreases 0.1¢ per gallon for each 10% increase or decrease in the producer price index for jet fuel as determined by the United States Department of Labor, Bureau of Labor Statistics, for the most recent 12-month period available as of November 1, subject to a maximum rate of 6.0¢ per gallon for aviation gasoline and 2.0¢ per gallon for jet fuels.

On November 1, 2005, the most recently available 12-month period was September 2004 to September 2005, as reported in Bureau of Labor Statistics, United States Department of Labor, Producer Price Indexes, September 2005, USDL 05-1975, released October 18, 2005, for which the percentage change was +69.7%. Accordingly, the aviation gasoline tax rate increases 0.6¢ per gallon; however the jet fuel tax rate is unchanged as the current rate of 2.0¢ per gallon is the maximum statutory tax rate.

¹ The rate of 5.3¢ per gallon consists of the 1.5¢ per gallon tax imposed by the Liquid Fuels and Fuels Tax Act, 75 Pa.C.S. § 9004(c)(1), and the 3.8¢ per gallon additional tax imposed by 74 Pa.C.S. § 6121(a). As limited by 74 Pa.C.S. § 6121(b), the combined rate of these two component taxes may never exceed 6¢ per gallon or be less than 3¢ per gallon.

Oil Company Franchise Tax

The Secretary announces that for the calendar year 2006 the rate of the oil company franchise tax changes from the current rate of 18.0¢ per gallon to 19.2¢ per gallon on all liquid fuels and from 24.4¢ per gallon to 26.1¢ per gallon on all fuels used or sold and delivered by distributors within this Commonwealth under 75 Pa.C.S. § 9004(b) (relating to imposition of tax, exemptions and deductions).

The rate of the oil company franchise tax imposed under 75 Pa.C.S. Chapter 95 (relating to taxes for highway maintenance and construction), 75 Pa.C.S. § 9502 (relating to imposition of tax) and collected under 75 Pa.C.S. Chapter 90 (relating to liquid fuels and fuels tax), 75 Pa.C.S. § 9004(b), is determined annually by the Department of Revenue (Department) and announced by each December 15 for the following calendar year. The tax rate is determined on a “cents per gallon equivalent basis,” which is defined by 75 Pa.C.S. § 9002 (relating to definitions) as:

The average wholesale price per gallon multiplied by the decimal equivalent of any tax imposed by section 9502 (relating to imposition of tax), the product of which is rounded to the next highest tenth of a cent per gallon. The rate of tax shall be determined by the Department of Revenue on an annual basis beginning every January 1 and shall be published as a notice in the *Pennsylvania Bulletin* no later than the preceding December 15. In the event of a change in the rate of tax imposed by section 9502, the Department shall redetermine the rate of tax as of the effective date of such change and give notice as soon as possible.

“Average wholesale price” as used previously is defined as:

The average wholesale price per gallon of all taxable liquid fuels and fuels, excluding the federal excise tax and all liquid fuels taxes, as determined by the Department of Revenue for the 12-month period ending on the September 30 immediately prior to January 1 of the year for which the rate is to be set. In no case shall the average wholesale price be less than 90¢ nor more than \$1.25 per gallon.

For the 12-month period ending September 30, 2005, the Department has determined that the average wholesale price of liquid fuels and fuels was \$1.61 per gallon, which exceeds the statutory maximum of \$1.25; therefore, an average wholesale price of \$1.25 is used to compute the tax rate for 2006.

The oil company franchise tax imposed under 75 Pa.C.S. § 9502 in terms of mills applicable to each gallon is:

<i>Imposition Section</i>	<i>Liquid Fuels</i>	<i>Fuels</i>
75 Pa.C.S. § 9502(a)(1)	60.0	60.0
75 Pa.C.S. § 9502(a)(2)	55.0	55.0
75 Pa.C.S. § 9502(a)(3)	38.5	38.5
75 Pa.C.S. § 9502(a)(4)	00.0	55.0
Total Mills per Gallon:	153.5	208.5
Decimal Equivalent:	.1535	.2085
Multiply by Average Wholesale Price:	× \$1.25	× \$1.25
Product:	19.188¢	26.063¢
Oil Company Franchise Tax per Gallon (Rounded Up to Next Highest Tenth):	19.2¢	26.1¢

The act of April 17, 1997 (P. L. 6, No. 3) provides that the oil company franchise tax as computed previously is collected at the same time as the liquid fuels and fuels tax of 12¢ per gallon; therefore, effective January 1, 2006, the combined rate of tax for liquid fuels (primarily gasoline) is 31.2¢ per gallon and for fuels (primarily undyed diesel fuel) is 38.1¢ per gallon.

Alternative Fuels Tax Rates for 2006

Under 75 Pa.C.S. § 9004(d) the Secretary is required to compute the rate of tax applicable to each alternative fuel on a gallon-equivalent-basis. Under 75 Pa.C.S. § 9002 "gallon-equivalent-basis" is defined as the "amount of any alternative fuel as determined by the Department to contain 114,500 BTUs." The amount determined on a "gallon-equivalent-basis" for each alternative fuel is subject to the liquid fuels and oil company franchise taxes currently imposed on 1 gallon of gasoline. The rate of tax on one gallon of gasoline during the period of this notice is .12¢ liquid fuels tax and .192¢ oil company franchise tax for a total tax of .312¢ per gallon of gasoline.

The Secretary announces that the 2006 tax rates for alternative fuels are as follows:

<i>Alternative Fuel</i>	<i>Rate of Conversion (Btu/gal of alternative fuel)</i>	<i>Amount Equivalent to One Gallon of Gasoline @ 114,500 Btu per gallon</i>	<i>Tax Rate per Gallon of Alternative Fuel</i>

FISH AND BOAT COMMISSION

Proposed Special Regulation Redesignation

The Fish and Boat Commission (Commission) has approved guidelines with regard to encouraging public participation on possible changes to the designation of streams, stream sections or lakes for special regulation programs. Under 58 Pa. Code Chapter 65 (relating to special fishing regulations), the Commission designates certain streams, stream sections and lakes as being subject to special fishing regulations. These designations are effective after Commission approval when they are posted at the site and a notice is published in the *Pennsylvania Bulletin*. Under the Commission's guidelines, a notice concerning the proposed designation or redesignation of a stream, stream section or lake under special regulations ordinarily will be published in the *Pennsylvania Bulletin* before the matter is reviewed by the Commissioners.

At the next Commission meeting on January 23 and 24, 2006, the Commission will consider removing the following stream section from the list of Delayed Harvest Artificial Lures Only (DHALO) areas regulated and managed under 58 Pa. Code § 65.6 (relating to delayed harvest artificial lures only areas), effective upon publication of a notice in the *Pennsylvania Bulletin*:

County	Water on which located	Description
Dauphin	Powell Creek	From the upper bridge on Back Road (T-551) downstream to the confluence of an unnamed tributary along Taylor School Road (T-358), a distance of 2.5 miles

The reason is that the landowner on the lower mile of this section has decided to withdraw from the program, and the remaining portion of the DHALO area has very poor access. The Commission therefore proposes to remove the entire DHALO area from the program.

At this time, the Commission is soliciting public input concerning the previously described redesignation. Persons with comments, objections or suggestions concerning the redesignation are invited to submit comments in writing to Executive Director, Fish and Boat Commission, P. O. Box 67000, Harrisburg, PA 17106-7000 within 30 days after publication of this notice in the *Pennsylvania Bulletin*. Comments submitted by facsimile will not be accepted. Comments also may be submitted electronically by completing the form at www.state.pa.us/Fish/regcomments. If an acknowledgment of electronic comments is not received by the sender within 2 working days, the comments should be retransmitted to ensure receipt. Electronic comments submitted in any other manner will not be accepted.

2006 Changes to List of Class A Wild Trout Waters

The Fish and Boat Commission (Commission) is considering changes to its list of Class A Wild Trout Streams. Under 58 Pa. Code § 57.8a (relating to Class A wild trout streams), it is the Commission's policy to manage self-sustaining Class A wild trout populations as a renewable natural resource to conserve that resource and the angling it provides. Class A wild trout populations represent the best of this Commonwealth's naturally reproducing trout fisheries. The Commission manages these stream sections solely for the perpetuation of the wild trout fishery with no stocking.

Criteria developed for Class A Wild Trout fisheries are species specific. Wild Trout Abundance Class Criteria include provisions for:

(i) Wild Brook Trout Fisheries

(A) Total brook trout biomass of at least 30 kg/ha (26.7 lbs/acre).

(B) Total biomass of brook trout less than 15 cm (5.9 inches) in total length of at least 0.1 kg/ha (0.089 lb/acre).

(C) Brook trout biomass must comprise at least 75% of the total trout biomass.

(ii) Wild Brown Trout Fisheries

(A) Total brown trout biomass of at least 40 kg/ha (35.6 lbs/acre).

(B) Total biomass of brown trout less than 15 cm (5.9 inches) in total length of at least 0.1 kg/ha (0.089 lb/acre).

(C) Brown trout biomass must comprise at least 75% of the total trout biomass.

(iii) Mixed Wild Brook and Brown Trout Fisheries

(A) Combined brook and brown trout biomass of at least 40 kg/ha (35.6 lbs/acre).

(B) Total biomass of brook trout less than 15 cm (5.9 inches) in total length of at least 0.1 kg/ha (0.089 lb/acre).

(C) Total biomass of brown trout less than 15 cm (5.9 inches) in total length of at least 0.1 kg/ha (0.089 lb/acre).

(D) Brook trout biomass must comprise less than 75% of the total trout biomass.

(E) Brown trout biomass must comprise less than 75% of the total trout biomass.

(iv) Wild Rainbow Trout Fisheries

Total biomass of rainbow trout less than 15 cm (5.9 inches) in total length of at least 2.0 kg/ha (1.78 lbs/acre).

For a water to be removed from the Class A Wild Trout Streams designation, total trout biomass must be documented below the set criteria for two consecutive stream examinations.

At its meeting on January 23 and 24, 2006, the Commission intends to consider additions to its list of Class A Wild Trout Streams. The Commission will not consider the removal of any streams from the list at that time.

Persons with comments, objections or suggestions concerning the additions are invited to submit comments in writing to the Executive Director, Fish and Boat Commission, P. O. Box 67000, Harrisburg, PA 17106-7000 within 30 days after publication of this notice in the *Pennsylvania Bulletin*. Comments also may be submitted electronically by completing the form at www.state.pa.us/Fish/regcomments. If an acknowledgment of electronic comments is not received by the sender within 2 working days, the comments should be retransmitted to ensure receipt. Electronic comments submitted in any other manner will not be accepted.

The Commission will consider adding the following waters to the current list of Class A Wild Trout Waters:
